Well, we have finally done it! After all the years of being your President they have finally talked me into having a vote at our club meeting to see if our club would like to rent a bus and go to Thunderbirds 64th Anniversary Dance. Thunderbirds have been to so many of our dances and it is hard to find people to drive to a visitation in Apple Valley. It was told to me that they have driven down that hill many time to come to dances in our area but they hardly ever get clubs to come and visit them. The cost is \$20 each. That covers the \$10 cost of admission at the door and \$10 for the bus. The club will be taking care of half of the bus cost. We have sign-up sheets at Cowtown and the trip is open to Cowtown members and Class graduates until May 27th. We already have 22 members signed up so if you want to have a fun time we need you to sign up as soon as possible. We also need your money by May 27th because the bus wants their money up front. Two other clubs have asked us to let them know if we have seats left. We can only take 47 members so it will be the first to sign up. Don't miss out on a fun night. We will be leaving from Cowtown at 5 pm on June 18th. You will be asked to bring a dollar to tip the driver.

Our last class dance was great as usual. We had 10 squares and a clothing sale. Cliff Simpson called a fun dance and the class members experienced dancing at faster speed. About 22 dancers went to Denny's after the dance to eat and visit.

I have taken up so much space with the bus trip I will have to make the rest of this short. The class will graduate on May 25th. Steve Woodard will be having his workshop in June and July on Wednesday nights.

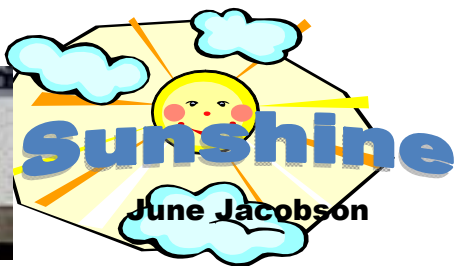

Our next Club Members Meeting is on May 9th at Lois and Bruce's home at 6pm. Hope you can attend and help make decisions such as the bus trip.

Thanks to all of you who do so much to keep our club running so smooth.

Betty and Dan

These months sure go by fast!!

Wow here it is May already! And the last month of our class. We had a very successful class dance on April 24th with Cliff Simpson calling. He always calls a really fun dance. There were at least 9 squares! I am sure the class members all enjoyed it and were encouraged to learn more and attend more dances after they graduate on May 25th. We will have a summer workshop beginning June 1st. For our members we have a fun bus trip planned in June, going to Thunderbirds club for their anniversary dance. So watch for flyers about this! Have a marvelous May, hope to see you in a square!!
