We did it! What a wonderful graduation on May 25. Thanks to everyone who worked so hard to make it so much fun. How about this class? They did a great job of doing the pot luck dinner. We did have a big turn out so they had a lot of mouths to feed. We had a lot of angels who came to help welcome the class. This really lets them know how much fun square dancing is. I can't begin to thank all the members and friends that helped. Now comes the fun time with Steve's Workshop. Now you can come and dance all the calls you have learned in class and get better at them. When Steve sees you are having trouble with a call he will stop and help you learn it better. This will help you get brave about going to other dances. Some of our class are going out to dances now but some still do not feel that brave. This workshop will help.

Our last class dance was May 22 and we didn't have a clothing sale. With class on Wednesday, a dance on Friday night and the Sunday Class Dance, it just seemed like too much. We will be having our last class dance and clothing sale on June 26 with Steve Woodward calling. If you have any clothes you wish to bring, do it the day of the dance. If you like. come early at 1:30 and help us get the clothes ready.

Don't forget the new class starts on September 14. Start asking all you friends to come and bring their friends. We now have business cards to pass out. They may be picked up at the desk at Cowtown.

Next Cowtown meeting is on June 13 with the pot luck at 6PM at Lois and Bruce's home. We hope to see all our members there.

Summer and vacations are just around the corner so I am wishing everyone safe travels.

I sent cards to three of our dancers. Margie Hart was treated for cancer on her eye lid. Sheri Bolton had gall bladder surgery and Teryl Ridgway was sick with the flu. Thanks to Lois for sending a card to Bob Padilla who lost his mother. I hope everyone is well now and ready for some nice warm weather.

Just heard that Larry Voll spent some time in the hospital. Welcome back to dancing Larry.

If you know someone who needs a card, please let us know so we can send good wishes.

Thanks to everyone that helped while I've been I've been with my very ill daughter.

Happy graduation to our new class, have fun dancing.

We had a class of 20 at the Graduation on May 25th. The class did a great job of bringing the food, and it was very good! We had games, prizes and lots of door prizes. Steve called some tips, so I'm pretty sure everyone had lots of fun. We all had cake and ice cream to finish off the evening. Special thanks to all our angels who showed up and helped make it so much fun.

Steve Woodard will be starting a workshop beginning June 1st, so come on out and have some fun dancing! Have a wonderful summer and don't forget our dances, and the social events mentioned in this newsletter.

See you in a square!
