Here we are again.

September starts a new class of dancers. Don't forget we will need you, as Angles, to help us make this fun. There are business cards at Cowtown on the table as you come in the door. Be sure and pick some up and keep them on you. You never know when you will find someone that would be just the right person to give one to. You may want to ask them if they have family or friends they would like to ask and offer more cards to them.

Steve's workshop is over in July and he will be dark until class starts in September. He did have at least 3 squares and sometimes 4 squares. I think the ones that came had a fun time and learned a lot.

I was so nice of Linda and Phil to offer their home for our annual swim party. I hope all of you got a chance to come because it is really a beautiful place to have it. They go to a lot of work. Those that did come had a great time earning their Duck badge for dancing in the pool or their Cracked Pot badge for dancing in the bathroom. The ones cheering the dancers on seemed to have just as much fun. Thanks to Steve Woodard for calling a few squares. We also got to see what a beautiful job they have done on their pool house.

As of now we have 26 members and friends from Cowtown Singles and 16 members from Canyon Lakes going to the Storm's Baseball Game. This will be fun going with another club.

I know it is very hot right now and it is so wonderful that so many of you still come out and dance with us. We hope to make this better soon but in the meantime THANK YOU SO MUCH.

Betty and Dan

Greetings,

We have quite a few that are in need of prayers and cheering up this month. Robin Hendrickson's mother is on hospice, and we can imagine how hard of a time she is having right now. Our thoughts are with you. Kathi Wood is recovering from heart surgery from earlier this month. We hope she continues to heal and be back with us soon. We miss her laughter around the hall.

Unfortunately cancer is back for Wayne Allen and we wish him well. Janice Dumos is fighting with colon cancer herself and her husband Tony Dumos is not feeling well. He is having some issues with his heart. Praying that they both get the healing they need.

Bruce Roberts is getting better by the day and supporting Lois as she has had minor surgery herself. Looking forward to having them both back at 100% soon.

If you hear of someone who is in need of cheering up and need a card sent out from us at Cowtown Singles please let me know.

Happy dancing!

Carolyn

Hello friends! I hope everyone is having a wonderful summer despite all the heat. I want to send a warm welcome to each of the new members from the previous class. How wonderful it is to have new people join our club. Please remember our new class will be starting September 14th. We want to invite our friends and neighbors to come and try Square dancing. So pick up some flyers and cards from Cowtown to hand out. Square dancing is a fun way to exercise and make new friends. A big thank you to all of you who help to make the class so much fun!

August 17th is the baseball game in Lake Elsinore. Game starts at 6 ...doors open at 5. Lake Elsinore Storms vs. Inland Empire. It's a lot of fun....deadline was July 27th. Canyon Lakes is joining so we have about 40 people going in our group. Thanks for the participation.

The Picnic went well. Lots of Duck badges were earned for dancing in the pool and Cracked Pot badges for dancing in the bathroom. The food was great. Cowtown Singles furnished the hamburgers and hot dogs and guests furnished sides and desserts. Boy our group can cook.

Stay cool.

Our 2017 membership drive will start soon.

It may seem early to talk about next year's dues, but remember that for insurance, our club's information first goes to CCHA. Then the region's information goes to the insurance company with all the other regions. This has to be completed in time to get insurance by January 1st.

For all the class members that joined at graduation - your membership dues are paid through the end of 2017.

You'll be hearing more about 2017 membership this later.
