Get your dancing shoes on. We will be starting lessons on September 14<sup>th</sup> and need all you Angels. Let's see if we can get a nice big class. Be sure to ask everyone you are in contact with even if you don't think they would be interested. You might be surprised who will show up.

The Storm baseball game was a lot of fun. We had about 25 members and friends. Canyon Lake went with us and had 16 members and friends. Thanks to Barb Belding for getting this game together for all of us.

How do you like the way we do refreshments? This has really helped with the work in the kitchen. Everyone seems to like being able to eat when they want to. Thanks to all of you who now bring finger food. We have much less clean up. Some members need to eat at different times due to medical reasons. It also helps not to have the long lines waiting to eat.

As many of you know we have had an ongoing battle trying to keep the coolers running. We had a big piece of the ceiling fall down when the coolers leaked again. The heat has always been a problem for us at Cowtown. We are now hoping that we will get some relief. Bruce Roberts, with the help of Lois, has installed an air conditioner. This took a lot of hard work because he had to run 220 and do a lot of prep work. In the middle of all of this Bruce got very sick and we had to wait for him to get well. Now we will see how much it helps when we have a dance. Remember to thank Bruce next time you see him.

Our next Members Meeting is on September 12<sup>th</sup> at 6 PM. To make less work for Lois and Bruce we have been meeting at NIKKO'S, 9295 Magnolia Ave. Riverside. [951-352-7290](tel:951-352-7290). They have a big room with one big table and it works out good for us. If you come any time after 5:30 you can order your food and we are ready to have our meeting by around 7 pm. It is nice not to have to worry about bringing food. We have been having some good meetings and hope to see you.

Hello all,

We left August in high heat. Triple digits, is it only me, but I'm looking forward to cooler weather. I'll be thankful for that and for the kids being back in school. They are fun, but tiring. Most of us made it through with lots of fond memories and lasting impressions. Gotta love em.

We had Shirley Parker falling ill early in the month of August, she's feeling better. Gene Stauffer got into a fender bender involving 4 cars. He was not seriously injured. Even though you do your best to avoid accidents, they happen. Glad you're okay Gene.

June Jacobson has not been feeling well, and she has heart surgery coming up. We need to keep her in our thoughts and prayers for the best outcome for her.

We don't know what the future brings to each of us, but we know how we can make our future better for ourselves. Adjust your mind, heart and soul to be the best you for September.

See you on the dance floor,

*Carolyn*

Here we are with summer winding down and September upon us! We hope you all had a great summer. As you probably already know, our new class begins Wednesday September 14th at 7:00 pm. It is always exciting to meet all the new people who come to learn Square Dancing, have a lot of fun and make new friends. So let's all give them a warm welcome! We need and greatly appreciate every one of our angels who come and support the class.

See you there!

# Membership

**Gene Stauffer**

It's that time again, time to renew you Cowtown Singles club membership.

Once again we will have a drawing for all those that renew by our October 21st dance.

Prizes are

First Prize of \$100.00

2 Second Prizes of \$50.00 each.

The drawing will be held at our November 4th Dance.

If you're thinking "I don't need to belong to a club, I can just dance anywhere", where would you dance if there were no clubs? Do you think a for profit organization would rent a hall, pay a caller, let you dance and feed you for \$7.00?

Support your club, Renew Now!

*Gene*

PS: To all of our great class members that joined after graduating this year - Thank you, your club dues are paid through the end of 2017.

Hi y'all

Do you realize 2016 is almost three quarters over?? School kids are back in session and summer heat is almost over. (Hopefully)

The Lake Elsinore Storm baseball game was a lot of fun on August 17th (even though we didn't have our free hot dogs) Our seats were the same as last year....right behind the mound. We were shaded and it was easier on our eyes! Thank you to all who came out!

I've learned of a trip to Alpine Bavarian Village in Torrance Sunday, October 16, 2016.

Cost: before Sept 16<sup>th</sup> is \$63 for Goeske Center Members, \$68 for nonmembers. Cost after 9/16/16 is \$73 for members, \$78 for nonmembers.

This was great fun last year and a delicious buffet. They also have a genuine German delicatessen that offers many choices to buy to take home. The oompah band was a lot of fun to watch. Those doing the Polka and the Chicken Dance were having a great time.

Hope you will consider this fun excursion. Relax and let the bus driver take us and bring us back to Goeske Center on Sierra Avenue.

September 14th is our first class. We hope you'll come out and welcome the new class. If you want to bring a snack ...please make it finger foods.

If you have an activity you are interested in please call me! [951 784-4188](tel:9517844188).

See you in a square.
