## President

**Betty Lawyer**

Seems like we have a lot of members sick or in need of repair. Phil Wicker will be going in for a knee replacement on Jan. 11; Betsy Hurt needs work on her shoulder. Kathy Wood is in the hospital with a medical problem that has been very painful but is not her heart and Crystal Lowe had surgery. Barb Belding has not been coming to Cowtown because of a problem with pressure of a nerve in her lower back which make her leg go numb. See what I mean. We will say a prayer for all of them and hope they get better soon. I know that there are more and I just don't know about them. Sorry to have so much bad news but maybe we can get all these members doctored up and back to dancing soon.

We have had several members that have had to drop out because they can no longer dance. I just want to thank them for being members for so long and let them know we do miss them. Come by if you can and just say hello even if you can't dance. We would love to see you.

Happy New Year and lots of love from

*Dan and Betty*

Hello all,

Hope you survived the holidays. As Betty was saying a number of members were ill or mending. That includes Bruce Robertson. I sent a card to him this past month. I saw him at the dance so he's mended, but please let me know of anyone else that needs a card sent out to cheer them up.

May the New Year be kind to us all,

*Carolyn Griswold*
