How do you like all the rain we have been getting? It sure helps on the water bill and gives you more money to come dancing. How did you like me getting the square dancing in? All I can say is if you came to our last dance on Friday and our Sunday Class Dance on last Sunday you got to wade in water. I could not believe how many of you were such good sports to come through the water. It was a good dance and everyone had a good time after they got in. A few of the members said they came even if it was raining just to get out of the house. We did not have our clothing sale because of all the rain

I just want to say how amazed I am to see how many of our Angels turn out on Wednesday night to help the class. There are about 35 each week. Now the problem is that a lot of class got sick over Christmas and were afraid to come back to class. They were afraid they had missed too much. But the good thing is that the Angels continued to come. I see a need to continue for our Angels who seem to be having a great time with the Wednesday night class. So because of this we will continue as long as things don't change.

There's been several questions about Cowtown Singles listing on "Where's the Dance" website. Happy to report that it is up and running. Thanks to all that have been involved.

A lot of you missed the last meeting. I guess that proves that Linda sending out her reminders really helps. Our next meeting is on February 13th at 5:30 at Nikko's 9295 Magnolia Ave. [951-352-7290](tel:951-352-7290). It seems most of our members like to come early and get home early. Remember if you are a member of Cowtown Singles you are welcome to come to our meetings and we count on you to help make decisions for our club. Hope to see you at our next meeting.

If anyone would like to take over the Social position and arrange social activities for the Club, we could use you. Barb Belding is resigning due to not dancing for a time. Let me know.

Happy Valentine's to all of you. Don't forget the special persons in your life.

Hey all,
Have you already broken your New Years resolutions yet? Well let's just say that I modified mine a little bit as the weeks passed.

I sent out cards to Kathi Woods, and Beth Houghlihan hope that they are feeling better. Phil Wicker had knee surgery and is still recovering. Hope to see you soon. Take it slow.

This is the season for colds and flu, I Hope we make it through without either one.

Please let me know if I need to send some cheer to someone.

See you on the dance floor.

Wow! Here it is February already, hope you were able to stay warm and dry at least most of the time! Our students are doing well and learning a lot of calls. Steve is doing a great job teaching; thank him when you see him! Sadly, we lost some of our class students due to work schedules and illnesses. We are very grateful to all the angels who come out every week to help. We couldn't do it without you. Our 4th Sunday Class Dance had four squares and everyone had fun but it was raining really really hard. So we are looking forward to having better weather for our next 4th Sunday Dance and clothing sale on February 26. Be safe and keep dancing. See you in a square!
