How do you like all this rain? It sure cuts down on our water bill but has really hurt the attendance on our class and dances. We still have our faithful members who come out and brave the rain. Last Friday night was an example of that. It just poured down around 6 pm and we wondered if we would have anyone come. It was too late to call it off and I am so glad we didn't. Our caller was Ken Bower and Howard was our Cuer. Ken has had some voice problems but what a great dance he called for us. It seemed like everyone there was there to have a good time and they did. We had 3 squares plus. The food was great and I don't know how to explain it but love was in the air. What a great bunch of dancers. When the dance was over we had so much new help. It was like a bunch of bee's working to get the hall cleaned up. Thank you so much for those of you who came and made it so much fun.

Our 4th Sunday Class Dance was on February 26th. In spite of the rain Pat Carnathan called to 9 squares. We also had our first "experienced clothing" sale for this year. It was a success and our dancers are going to be coming to dances in their new outfits. Mark your calendars for our next 4th Sunday Dance on March 26th and join the fun.

Our last Membership Meeting on February 13th was held at Nikkos' at 9295 Magnolia Ave. The next meeting will be at the same place. It was a very good meeting and well attended. We discussed a lot of important issues for our club. We have been starting to eat at 5:30 and the meeting begins at 6:15 if everyone has finished eating. It seems the members like to get out earlier. One thing we did discuss was that if you are a still dancing over the age of 80, CCHA will send you a certificate. Be sure and let us know if you would like to have the certificate. Hope we see you at the March 13th meeting

Thanks to Yvonne Mitchell who helps plan trips at Goeske Center. She is bringing us fliers to Cowtown. Be sure to watch for them. There is a bus trip to San Manuel Casino on March 29th for \$20.00. At the end of May the bus would take us to see *Annie get your Gun* with dinner included. More about it later just keep it in mind.

Try to keep dry and don't let a little rain keep you from having fun dancing.

Hey everybody,

February was a very wet month. There are a lot more dirty cars and weeds, but we needed the rain.

With all the colds and coughs going around, I'm glad it didn't get too many of us. I myself had a minor touch of the flu.

I sent cards out to: Susan and Gene Stauffer, and Barb Belding. Hope they are fully recovered.

Scheduled surgery for next month is Betsy Hurt on her shoulder. Keep her in your prayers.

Kathi Woods was at the class on Wednesday. It was so nice to see her back in the hall.

Keep yourselves protected and healthy.

See ya,

Carolyn Griswold

Well here it is March already, are you enjoying the beautiful green hills? And we should be seeing lots of spring flowers. I guess we are all looking forward to nicer weather.

The class is doing very well, even though we lost many of our class people for various reasons. We are blessed to have such wonderful angels who are so faithful. Thank you all so much!

Remember the 4th Sunday dances; we still have March, April & May. These are always a lot of fun. Hope to see you in a square soon.

Thank you to those that contacted me with updates to the membership list. We must have sorted out all my typos as there were only a few corrections to be made. I will publish an updated list after the March meeting so I can have any further updates included.

We continue as a strong club with 78 subscribing members plus 11 Honorary and Other Members.

Thank you,

Gene
