Here we are with spring in the air. Time to get your Easter decorations out. Do you remember when you were young and would put out a basket or something for the Easter Bunny to make a nest for you? Does that tell my age? I remember getting up one night and catching my family coloring eggs for my basket. Well I was disappointed, but didn't tell my Sister and Brother and spoil it for them. Here is hoping you are going to have a nice Easter with your love ones & friends.

For our last dance we had Romney and Howard. We had a nice turn out and everyone seemed to have a lot of fun. We had lots of food. It was St. Patrick's Day so of course we had to have corned beef and cabbage. It was nice to have a dance that we didn't have to wade through water. Of course we are happy to have the rain.

We did an order for new shirts. Julie Michaels did a great job of putting the Cowtown Logo and names on the front. Check them out and if you're interested, let's start a new list. We need a fairly large order to get the price down, but sure we can do it.

Don't forget of monthly meeting at NIKKO'S on April 10th. We start at 5:30 so we can eat first and when everyone gets finished eating, we have the meeting. That is usually around 6:15. We would love to have you there.

The 4th Sunday Class Dance for March was a success. Darren Gallina called a fun dance and dancers found a lot of nice "experienced clothing" at our sale. Thanks to all the generous square dancers who have donated these clothes.

We have made May 24th as graduation for the class. Hope all of you can come out and support the class.

Happy Easter and God Bless

Dan and Betty

Sullivan**

Hello everyone,

For a while there went from CA winter straight into summer. My vote is for the cooler weather. I sent a card out to Don Robertson who was under the weather early in month. Shirley Frye had a real scare with an emergency gallbladder operation. Another frightening situation, Larry Voll had smoke inhalation, but was able to be released quickly. Hope they both are recovering well.

Betsy Hurt got the surgery done on her shoulder, and I hear she is doing well. Hope to see her soon. Lastly, Carolyn Ulrich's mother is not doing well these days, and the family needs our prayers.

If you hear of someone needing a card sent out to brighten their day, please let me know.

See ya soon,

Carolyn Griswold

Bruce & Lois Roberts

Well here it is March already, are you enjoying the beautiful green hills? And we should be seeing lots of spring flowers. I guess we are all looking forward to nicer weather.

The class is doing very well, even though we lost many of our class people for various reasons. We are blessed to have such wonderful angels who are so faithful. Thank you all so much!

Remember the 4th Sunday dances. We had a great dance with Darren Gallina calling for March and we still have April & May. These are always a lot of fun. Hope to see you in a square soon.
