Well, here we are with May Day coming up fast. Here I go telling my age again but what the heck. When I was a kid and living with my Grandparents, we lived on a farm in Montana. My Grandfather would drive us to school every morning. On May Day we would have our construction paper baskets we had made and my Grandfather would stop and let us pick flowers from the hills to put in with the candies in the basket. After school we would go hang them on our friend's doors. What a wonderful memory of life with my Grand Parents.

Okay, now on to the life as we know it now. Our Wednesday class it doing great with the help our all our wonderful Angels. Steve had to be gone one Wednesday so Gumby filled in for him. We had a pot luck that night and as usual lots of super good food. Gumby made it fun for the class. Our class has got down to a small group but our Angels are out in force. We had 4 squares last Wednesday. It is a good time to come if you need to refresh your dancing because the class has had all the calls. For this next month, until graduation, they will just be getting some dance time in. Remember to mark the calendar for May 24 graduation to come and meet the new class. May 28 will be our last Sunday Class Dance for this year. Rod Shuping will be our caller. Also we are going to see how many members would like to go to another STORM baseball game. The date we are thinking of is June 28. Look for a sign-up sheet at Cowtown.

I would like to see more of our members at the door greeting dancers as they come and as they leave. This could be a wonderful time for members who need dance partners to get their tip cards filled in and also make dancers feel welcome. Let's be known as a very friendly club. Don't wait to be asked, if you see no one is at the door, get over there and make lots of friends.

We finally finished up work on the air conditioners and the timers are in place. This will make it better with the heat at Cowtown this summer. Bruce Roberts has really been working hard. He's been overseeing the work and doing much of the work himself. We really need to give Bruce a big THANK YOU.

Hope you can make it to our monthly meeting at NIKKO'S on May 1. This is the first Monday instead of the second so be sure to mark it on your calendar.

Thank you Linda for all the great emails you send for the club and the very classy newsletter you send out. The announcements really help keep everyone informed.

Hey all,

Spring has sprung and pollen is everywhere. Hope you're not suffering through this season. I sent out a few cards this month. There's Crystal Lowe, and Kathi Woods that had injuries. Glad to see them out at the dances so they are recovering. Shirley Frye has had a set back from last month's surgery. Hope the new round of treatment works well for her. Carolyn Ulrich is caring for her mother who is in a battle. They still needs our prayers.

If I missed someone or if you know of someone who needs a card, please contact me to send out some love.

Thank you,

Carolyn Griswold

Well here it is May already, what happened to April?! Do you think someone is fast-forwarding our clocks?? Sure seems that way, doesn't it! Anyway we had two really great dances this month plus the Sunday afternoon dance. Hope you were able to attend them. If not, you missed a lot of fun. Our class is looking forward to their graduation on Wednesday May 24th, 7:00pm-9:00pm. So come on out and enjoy the fun evening.

Steve will begin the follow-up workshop the next Wednesday. We are hoping for lots of angel support and here's a big thank you for all that you do to support our club! We couldn't do it without you!

Have a wonderful month of May and remember Cowtown now has Air-Conditioning!!! It should be a lot cooler when we're swingin' and twirlin' in those squares!!
