What a beautiful party Lois and Bruce Roberts put together for graduation. The Taco Man came so nobody had to bring food. We danced, had a graduation ceremony and then had cake and ice cream. Thanks to Bruce Roberts for all his help and work getting the air conditioning running. It was nice and cool. I hope you got to come to welcome our new members who all joined our club. We had a small class this year but what a wonderful class they were. They have already been going all over to dances and are getting to know all the clubs.

A lot of our club members are working on getting there Dos Amigos badges. Dede has really helped with getting this going. After you visit 6 clubs and get your list signed you will get a badge from CCHA. After that for every 6 dances you attend you will get a swinger. It is a fun way to get members to visit other clubs.

The ELSINORE STORM baseball game is on for sure. At last count we already had the 25 we need to get the discount price. Our friends at Twirlers (Canyon Lake) are going to join us just like they did last year. How much fun is it to join for a social night with another club? Barb Belding will be getting our tickets for us. Remember it is on June 30.

Another date to keep in mind is the Summer Picnic at the Wickers. They are always so great about extending their home for this. It will be on July 23 so mark your calendar.

It is with a sad heart we have to say goodbye to Jerry Johnson one of our member in the past. He passed last week from Cancer. To a lot of us he was known as Ducky and will be sadly missed.

Our next Cowtown meeting will be at NIKKO'S, 9295 Magnolia Ave. on June 12 ([951-352-7290](tel:951-352-7290)). We meet at 5:30 if you wish to eat dinner and the meeting starts at around 6:15. All members are welcome and we hope our new members will join us.

Hey All,

Hope everyone is gearing up for Summer, It's coming. We have the air conditioning in the hall now so that will make it a bit more comfortable for us.

We had quite a few people injured this past month. Glad to hear that they are recovering. Dede Weatherwax was in a car accident. Tony Mendoza and Carol Christiansen have injuries that are healing as well. Rollin Blossey & Shirley Frye both are still recovering with health issues.

We do care about our friends' family members also. Cards went out to Shawn & Rick Estroga for her Mother, and his surgery. A card was also sent to Janet Vinokur for her sister's illness, and Carol Ulrich's Mother was sent a note of care from us. We pray all will get well soon.

Be patient and kind,

Carolyn Griswold

**Bruce & Lois Roberts**

Welcome to our new members from class. Thank you for joining our club. We had a really nice graduation, lots of angel support and 5 great graduates. It's been a fun 9 months for everyone as the students and angels did their best. So let's start now thinking about the new class in September. We can be inviting our friends and others. We have cards and flyers available, so please start handing them out to people you think may be interested.

Bruce and I want to say a great big thank you to our faithful angels for their encouragement and support. See you in a square!

*Bruce and Lois*

**Volunteer(s) needed**

Need volunteers to plan social activities for Cowtown Singles. Can you Help?

Don't forget the Elsinore Storm game and fireworks on June 30.

Then on July 23, there's Cowtown Singles Summer Picnic. Dance in the Pool for your Duck dangle or Bathroom for your Cracked Pot dangle. Club brings the burgers and everyone brings a potluck dish to round out dinner.

Yvonne Mitchell has been bringing flyers for activities and bus trips with the Janet Goeske Center. Check them out. A big thank you to her for adding to our members' fun.
