How do you like all this nice hot weather? It would be very hard to dance at Cowtown if we had not got the air conditioners done before this hit. I hope you have found a nice place to stay cool.

Steve has had a least 3 squares of dancers on Wednesday night at his workshop. They all seem to be having a great time and will miss his class as he leaves for a two month vacation before getting back to start class on September 13. Please start thinking of everyone you can bring to class and remember we need you back as angels. The more dancers we have the more fun.

We had 47 sign up to go to the Storm ball game. This year we also invited the Twirlers to go with us again. What fun to get to know our friends from other clubs better. Keep in mind to put on your calendar July 23. It will be a fun day at the Wickers swim party. Bring your swim suit, towel, pot luck dish and anything else to make a fun day. Our club will provide the hamburgers and hot dogs. There will be square dancing in the pool and you will get to see the beautiful pool house they have built. If you just want to come and visit that would be great.

We have been on vacation most of this last month we just want to thank everyone who took over for us. It is so wonderful to have a club who you can count on when you are gone. We did not worry because we knew you all are the best. Buy the way we had a wonderful time.

Next meeting is at NIKKOS again. We would love to have all our members come. This works out good because they give us their big room and we come at 5:30 if you want to eat and visit. We start the meeting around 6:15 or when most members are finished eating. If you can't get there in time to eat, you can come for the meeting. We all sit at one big table which is nice. Come and give it a try.

Have a Happy 4th.

Bruce and Lois have been on vacation, but want to remind everyone that time is getting short for the next class. Please pick up some cards and flyers and pass out to everyone that may be interested in Square Dancing. The more students the better! And don't forget how important you Angels are.

In the meantime, have a great summer.

Hello everyone,

I haven't been out to class, but I'm doing well. Not hearing from you all I take it you are doing okay also. That's the way we want it to enjoy our summer.

I did send out some cards early in the month to: Phil Vinokur, Bruce Roberts, and June Jacobson. They were not feeling well and had some health issues going on. I saw Phil back out there and Bruce made it on his vacation trip, so I know they are feeling better. Hoping the best for June.

Cards went out to Janet Vinokur for her sister and to Carolyn Ulrich's mom. Both are caring for their loved ones. That takes a lot of strength and patience. We're still praying for the best for both of you and your families.

If you hear of anyone that needs a little cheer, let me know.

Enjoy your summer.
