Our class is looking good and thanks to all the angels who are coming out. It still is a bit hot when everyone gets dancing so wear something cool. Not as hot as last year as the air conditioners help. We have had 5-6 squares both nights so keep up the great job of helping and getting to know our class people. Remember to visit with them and really get to know them. Make them feel at home. Get them sharing things about family and things they like to do. This is a night out so make it a fun night. Janet is doing a good job of setting up the squares to help the dancing.

We need you to sign up right away if you want to go to Thunderbirds Dance on the bus on November 18. David Mee will be calling and Bill Berry cueing. It is hard to get a bus if we wait so I had to reserve the bus ahead of time. So many of you keep asking when we were going to do the bus trip again. We are giving Cowtown Singles first chance to sign up and even if you can't dance come and be a part of the fun. It is going to be Christmas in November with a Christmas theme. If you have anything red, green or white it would be great to have a bus of Christmas colors, even a hat. Dudley and Crystal have agreed to go as Mr. & Mrs. Santa Clause. This will add to a fun night. The bus will pick us up at 5:30 at Cowtown so parking will be safe. We plan to be home around 11 pm. We need you to pay when you sign up. If we have seats left we will ask other clubs to come with us.

Don't forget the drawing for money if you get your 2018 dues to Gene or any club officer by October 20. This helps us get insurance money in on time and helps you to not have it come due at Christmas. The drawing is for \$100.00 first place and 2- \$50.00 second and third prizes.

Our next club meeting is at Nikko's at 5:30 on October 9. Hope to see you there.

Happy Autumn everyone! Our new class is doing well and we are grateful for the new students and all of our angels. A big Thank You to our new class coordinators.

We had a great time with Cliff Simpson and Jay Henderson in September. We're looking forward to dancing with Frank Lesclinier and Pat Carnathan in October. Be sure and come out for all the fun. The cooler weather will surely be appreciated by all! Watch for details on our Christmas party and other events coming up. See you in a square!!

Hey everyone,

Life is full of changes for us all. New season, new class, and for me a new attitude. So exciting!

A lot going on in our members lives this month. Cards going out to Elaine Ladd. She has a ruptured vein in her leg, and Dawn Ott has a broken shoulder. Susan Stauffer is still recovering from the car accident in July. Good news she's released to drive again. Bruce is still under the weather a bit so we miss seeing the Roberts around.

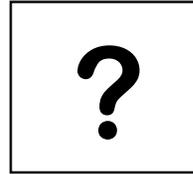

We have a friend of Cowtown's Singles-Colin Marshall who is battling cancer. You know him best as a sometime partner with Carolyn Ulrich. When he comes to visit he was always willing to partner with our singles if needed.

We lost a long time member Julie Nadig Horner. From what I hear she will be very much missed from friends and family.

I'm learning new things this season in life I hope you are too. Remember the saying "You're never too old..."

See you on the dance floor,

Carolyn

Class has begun and we have had a good start. The recruiting of class members is over and now we need our club to help us keep the group. We need to be very friendly and inviting so that they really look forward to Wednesday nights. At the breaks, please talk to each new person and get to know them. Seek out the ones who are sitting alone and ask how it's going. See if there are some shared things to relate to like grandchildren, jobs, where you live, etc. We appreciate how well the class has been getting up and dancing with an angel. Please keep trying to spread yourselves around the floor. If you are tempted to bring snacks, that is always appreciated.

This club has great angels! Thank you so much.
