Our class is doing super thanks to all you wonderful Angels who come every week. We decided on Valentine's Day to surprise all the class and Angels who came out to get roses when they left. It was so nice of them to come spend the night with us. Believe me there were not very many. I think we only had 2 squares of fun loving dancers. Janet and Phil are doing a good job with the class and making it fun. Be sure and read their write up on the class.

Our attendance for our dances seems to be down but our Sunday Dances are doing great. If you can it would be great to see more of you. For those of you who don't like to drive at night the Sunday Class Dances are an easy time for you to get out. They are on the 4th Sunday of the month at 2-4:30 pm. Hope to see some of you. It is a great time to see old friends.

At our last club meeting we decided to not do any clean up, like table and chairs, too early because it causes dancers to think it is time to go home. We tried to start cleaning up so the few of us who are left don't end up with all the cleanup work when everyone leaves. Believe me I understand you are tired after a night of dancing but I want you to know how much we appreciate your help. It would be nice if the maids just came in and did it and we could all just go home after a night of fun. I guess it is asking a lot after all the good food you always bring. Thanks you so much.

We are still having our meeting on the second Monday of each month at NIKKO'S. If you want to eat come at 5:30 and the meeting usually starts at 6:15 or when most of the members are finished eating. Right now we are in need of someone to take minutes as Yvonne Mitchell has resigned as Secretary.

See you soon.

Hello everyone,

I trust everyone is doing well. I'm getting settled into this new year.

It was a quiet month as far as me reaching out to anyone. Sherri Bolton had complications with that terrible flu going around. I hear she's on the mend, and feeling better.

I sent out a card of a more personal matter than health. Just a reminder for us to keep reaching out to your fellow dancers. Sometimes we just need to be heard from.

If you know of someone who needs to be lifted up, please let me know.

Hope to see you soon,

Well, we hope everyone had a real good February and was able to get out and have some fun dancing. We sure enjoyed both of our dances at Cowtown. March is already here with spring and summer coming up. We have a lot of fun visiting other clubs as well. If you can, try to attend the visitations. We get to meet other dancers and they are always welcome at Cowtown. Our class is doing very well, thanks to Phil and Janet, and all of our angels! Hope to see you in a square!

Hello club!

The month of February was a fun one for the class. Everyone is learning so well. Some calls are actually easy now and we are moving into plus calls in March. Attendance has been very good and people are making this a part of what they do on Wednesday nights. Hopefully flu season will pass and everyone will be back to full energy soon. The February dance was fun with almost all the class showing up this afternoon. Mark your calendars now for our next class dance, March 25, with Phil Farmer calling. Also, sometime in March, the class and angel's generous contributions to the sheriff's fund is going to provide a pizza dinner for our class and angels. We sure enjoy this group of new dancers! If you haven't joined us yet, you are missing a fun time. Now that we are in plus lessons, we bet you would enjoy the brush up too.

See you in a square!
