Well with Easter on our door step there are lots of good memories. Now I am going to tell my age. When I was very young there was no Costco to just go buy Easter baskets. I was living with my Grandma and we would make baskets out what we had, like and old hat or shoe, and the Easter bunny would put eggs in it. As I had my family it was my turn to make all those baskets for my children. Now I am happy to pass the torch, sit back, watch and go to church.

On March 11 we had a visitation to the Twirlers for their 44th Anniversary and I am delighted to say we had 23 members present. It was so wonderful to see so many of you there and our square dance friends. I am sure this will help them.

Our last meeting was well attended and we were able to talk about a lot of important things. I have had some calls about why we don't change our dances to start at 7:30 pm - 10:00 pm. It was brought up at our last meeting and some members thought people would just go home at 9:30 pm instead of 10:00 pm. I would like to have your feelings on this if you have any. Several clubs do this now. Also at our April meeting Yvonne Mitchell resigned as Secretary and we voted to accept her resignation. Lois Roberts was voted in as our new Secretary. Thanks to Yvonne for her years of service and to Lois Roberts for always helping. Bruce Roberts will stay on as Vice President. We would love to have all of you members come to our meetings to vote and help us decide what fun things you would like to see us do. We could have a Bunko party; go to a ball game, a play or something you suggest. Our meetings are at Nikko's Burgers, [9295 Magnolia Ave.](#) If you wish to eat with us dinner is at 5:30 pm and the meeting is at around 6:15 pm.

Our class is doing super and again it is great how many of our Angels come out to dance with the class. I am sure everyone enjoys the social part as well as the dancing. Last Wednesday we had 47 in attendance and I never heard so much conversation between tips. It was great because we had several dancers we had not seen for a long time come.

Have a wonderful and blessed Easter.

Hello everyone,

Hope you all are doing well. I made it through the flu season, now into all the good stuff that spring brings. I'm hoping for the cool weather to stay around a couple on more months at least. We're in CA so who knows what's going to happen.

I sent some cards for March. Gary Cowan had eye surgery. I do know he's recovering well. He'll be back dancing soon we hope.

Barb Belding had some concerning issues, and was getting some testing done. Waiting for the update.

Rudi Ruterma is having trouble with her leg so she's off the floor for now. Praying all will recover quickly.

June Jacobson's nephew passed away this past month. It's a hard thing to lose someone; our hearts go out to her and the family.

Spring has sprung hope you're ready for all it brings.

See you dancing,

Hello club!

Spring has sprung and we've been busy in class lately. Our class members have stayed faithful coming to lessons and they are doing great in plus moves. A few people have moved or had health reasons for leaving us, but they plan to return next class.

The class dance was fun and well attended. Our last dance will be April 22, 2:00 pm with Larry McBee calling. We hope everyone will be there.

We had a pleasant surprise at one of the Wednesday classes. Steve needed a substitute and he sent Ken Bower. The students were happy to see they could dance to a new voice and smoothly made it through the calls. It is so cool to see everyone developing confidence and enjoying dancing.

We have visitors from all over the county now, so come out and join us and meet new people.

See you in a square!
