What a GREAT last class dance we had. Hope you were able to come. It was so nice to see so many other clubs. The Twirlers had over 20 members there. Larry McBee was the caller and made it fun for the 7 squares. We also had another clothing sale. At our 4 class dances we made a little over \$600.00 and this also helps our dancers get beautiful clothing at very low prices. Thanks to all of you who came early and helped get the clothes out and put them away. As usual we were short of men to dance with the new students. If we want to see square dancing succeed we really need our men angels to come out and help. Thanks to those of you who do help. It is so wonderful to see the couple who will share their men for at least one tip so we don't lose our ladies. A few of our ladies are learning the men's part and that really helps. The refreshments were great as usual and Thanks to all who helped in any way.

Have you seen the new roof that has been put on Cowtown? It was really needed because when it rained the roof leaked in several places. We are now trying to do some things to make Cowtown look more friendly and inviting from the road. If you have any ideas to share with us please let us know. Please put it in writing and give it Dan or Betty so we can discuss it at our next club meeting.

Thanks to the help of Steve, Phil, Janet and all our angels our class of 14 will be graduating May 23. They are already going to dances at other clubs that are class level or have mainstream. Steve Woodard will be starting his workshop on June 6.

Hope to see you at our next club meeting.

Hello everyone,

The time is moving quickly by for me. Just rolling right along. Hope all are well.

Had a request to send Ray Holguin a card. He has not been feeling well lately. Hope he's feeling better. Don Hendrickson had minor surgery that went well and he was back out dancing soon after.

Dede Weatherwax's grandmother passed away. I pray she finds comfort in feeling the loss. Hugs to her.

A special thank you went out to Wendy Clinger. She has lovingly donated quite a few outfits that we will benefit from. Very nice of her. Beautiful things.

Well spring is in full bloom, hope you're enjoying it.

If someone needs a card sent out please let me know, I'll be happy to send a little cheer along.

Thank you,

There were a few updates to the Membership List this month and you should have received the new list in your email.

Please let me know about any other updates or corrections. It is not a lot of work to make changes and email the list out.

Happy May, my favorite month in Riverside.

Our class keeps on doing so great! They are attending every class, learning especially well, and getting out there and experiencing club dances. We will be graduating this month and I will be sorry to see it end this time. It has been such a real pleasure coordinating this group. What a happy, pleasant bunch of people.

Our last class level dance was a big success. Larry McBee called a fun bunch of tips. We are finished with class level dances now because the new students are ready to attend regular dances. We have our regular May dances, 5/4 and 5/18, set to alternate mainstream and plus, with a \$5 entrance fee for class members. But by June, they will be fully plus dancers and ready for usual dances. Please come out to our dances and get in squares with them. They will help you regular members, I am sure. Lol.

Let's finish out this class with a lot of support. If you aren't at Cowtown on Wednesdays, you are missing out on a lot of fun.

See you in a square!

Janet and Phil
