Here we are with another great class and what a great night graduation was. All of our class joined our club and they are going to be super members just like you. I hope you were able to come because Janet and Phil did a wonderful job of putting it together. I must say the food was great and we do really have to thank Charles and his family for all the work they did getting it picked up and delivered to Cowtown just at the right time for everyone to eat. Everyone ate all night and if they wanted they took a plate of food home. Of course we had cake at the end of the evening. In all it was a wonderful evening. Thank you to all of you who helped in any way and of course a special thanks to our new friends and dancers who came very early to help set up tables and chairs.

Steve is now starting his work shop so come whenever you can on Wednesday night to brush up on your dancing. He plans to do this through June and July and then take a month off and be back for class on September 12. Then of course we will be needing all of you to help with our new class. So be sure to be asking everyone you meet to come dancing on September 12.

We are planning on making June 2 a club visitation to B & B's in [Redlands 111 West Lugonia](#). It will be a fun dance so try to come. Don't forget to mark your calendar for the Cowtown Singles' annual picnic at the Wicker's on August 11. I know that sounds like a long way off but time has a habit of getting away from us. Pick up a flier at Cowtown or call Linda Wicker to RSVP.

Hope to see you at our members meeting on June 11. It will be at NIKKO'S. Come at 5:30 if you wish to eat before the meeting. Linda will have information in your newsletter.

Keep dancing & keep smiling.

Hello all,

We're almost into summer. I don't know about you, but I enjoy the May gray. Not looking forward to the full on heat we have coming up.

Not too many cards going out, but there were a few.

Crystal Lowe received a card this past month, she's now doing better. Janet Vinokur had two family members at the same time having health issues. We wished her comfort for her trying time.

I sent a thank you card to Patti Gardner from Thunderbirds for all that she has been doing to help promote our club. We appreciate all her help letting other clubs know what's on our calendar.

If know of someone who needs a card sent out to pick them up, please let me know.

I'll be more than happy to send one out.

Stay healthy!

Please join me in welcoming our 11 graduating class members that have joined our club! They are a great addition to our club.

You should have received a new Member List that includes the new graduates. If not, please let me know so I can get a list to you.

Hello club! I am so happy to tell the whole club that our newest class of dancers has graduated and all 11 of them have joined Cowtown as members.

Our graduation party was a great evening and they are ready to go to any and all dances. This group is exceptionally enthusiastic and skilled. It has been a pleasure working with them. I hope they will really cement what they learned by getting lots of floor time at dances and Steve's workshops, Wednesdays, 7:00 all June and July. See everyone in a square!

Special article:

Speaking of "see everyone in a square", at our last planning gathering, we discussed the difficulties our club, and all clubs really, have with finding enough men to dance with all the ladies who love to dance. This is an issue we have had for a while and they asked me to write an article because this is a passion I have had since I started dancing as a single lady.

As a club, we must come up with creative ideas to help with this. We want to be a club where people come and know there will be opportunities to dance most tips. Some of our ladies have learned the boy's part, and I am very grateful for that. Please thank those brave souls. If you have any interest in this idea and you are currently a strong dancer, try it out next year in class and give your mind a real challenge. Please invite men to our class in September, search your brains for where these guys are hiding out. We also need to keep being generous with giving our partners up for one tip. If everyone did this it wouldn't be too difficult. In that same vein, if the single dancers also sat out one tip that would free up more tips for all dancers. These are only four ideas I have at this time. I am sure our members might have more and I would love to hear them. A club will grow and thrive when we take care of everyone in the club and our visitors. Thanks for reading this and I hope to hear your ideas.
