Dan and I were on vacation this last week in San Clemente. It is so good to get away from it all, but you know what??? It waits for you when you get home. We always try and not miss any club dances while we are gone. Sometimes it can't be helped. We have a lot of members on vacation now for an extended time so we really can use your help at our dances when it is possible.

Steve has finished his workshop on July 27 and he had 3 to 4 squares most Wednesday nights. Now he will take a vacation for the month of August and be ready to start our new class on September 12. I hope you are asking everyone you can think of to join our class. Be sure to tell them to ask their friends because it is always more fun to bring your friends along.

Keep in mind the swim party at the Wickers on August 11. It is a good time to bring your friends to the picnic and get them in on the fun we have. Try to RSVP so we get an idea how much meat we need to buy. Keep in mind you do not have to go swimming. Lots of members come just to visit and watch the dancing in the pool and the bathroom. Not too much room to watch that. Of course all the good food is always a real plus. Hope to see you all on August 11.

Right now we are planning to go to a Lake Elsinore Storm baseball game on August 23 at 7:00. Be sure and let us know if you want to go. The cost is \$13.00 and the money must be in by August 3 to get tickets. It will be a fun evening and the Twirlers may be going with us.

Our next monthly meeting is on August 13 and we hope you can come. Look for information in the newsletter.

Stay cool and have a great summer.

Hello everyone,

Hope you are enjoying your summer. We're at our summer break for workshops. Just in time as we really heat up around here in CA. I shouldn't complain too much since I'm sitting in air conditioning all day.

I had a couple of cards sent out this month and sad to say they were both for condolences.

Janice Dumos's mother passed away. She will be missed by her many friends and family. Put your arm around Janice when you see her and Tony.

Longtime member June Jacobson passed away as many of you know.

She was a great help to the club. Sending out cards was her last duty before she handed it over to me. Those who knew her will miss her gentle kindness.

Much love to both families.

If you know of someone who needs a card sent out, please let me know.

Thank you,

Carolyn Griswold

Not much going on this time of year for club membership.

We will be starting our membership drive next month.

Gene

Class Coordinator

Janet & Phil Vinokur

Hello Club!

I bet you thought that, this being August, I wouldn't have much to say about class items. Wrong! I am always thinking class stuff. This month we have one of the most fun new dancer moments ever. Our party at the Wickers is a must not miss event! It is a very laid back BBQ and swim party. I have heard a few of our ladies be reticent about the bathing suit part of that occasion. That makes me crazy! Please don't miss the fun over that issue. You might want to wear shorts over your suit if that helps. Or just do it. I promise we all have something we don't love about our bodies, and it is really fun to be old enough to just go for it anyway. Please just bring a suit along and leave it in the car in case you change your mind. The tips Phil calls for us in the pool are just pure fun and you want to be in on it and earn your ducky badge! If this doesn't persuade you, come for the fellowship and great food. See you there.

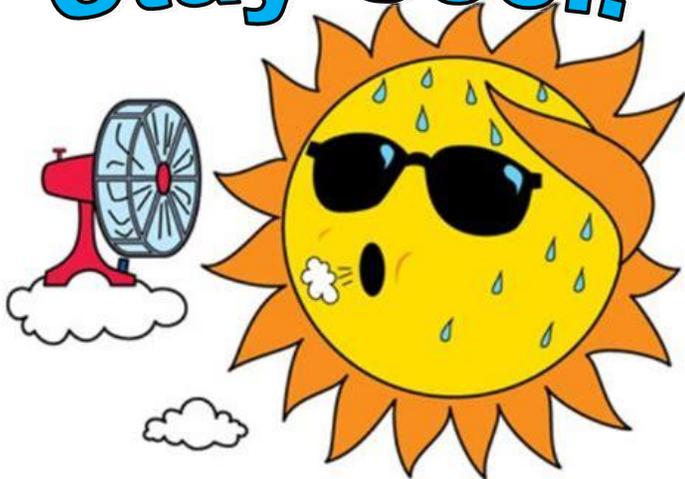

We have the business cards ready for you to start handing out. They are on the entry table at dances. I am asking all members to take 10 and find new folk to pass them to. I am encouraged by many of you already doing this. Word of mouth is the main way we build a class and hence our club. Our newest dancers know a whole new circle of people to reach out toward and spread the joy of square dancing. Thank you for your faithfulness in this important job.

Speaking of jobs, remember that all parts of making a dance fun are done by volunteers. This is setting up, cashier, cleaning up, tables and chairs, refreshments, greeting at door, etc. Please find your area that you enjoy helping with. If you don't know how to help, ask Betty. Our club does have so many worker bees, but when everyone does a little, it goes so much easier. Thanks!

I am so happy to see our newest dancers really getting out there and enjoying dancing. You are doing great and improving every week through floor time. Steve should be very proud of you. Good job!

Janet and Phil

Stay Cool!

Membership Meeting
