Can you believe November is knocking at our door? Every year I become less ready and I really love this time of the year. What I really need is someone to come and do all my work and let me just enjoy the season.

We should all be so proud of all the angles that are coming out to make our Wednesday night class so much fun. Last week we had 7 squares and almost no one sat out unless they wanted to. Fun part is we have angels from other clubs also dancing with us. Because of this, the class is doing so good. As we were watching last week the class looked like a dance not class. Thank you to all of you who come out and to Janet and Phil for their help.

Believe it or not we have a better turn out for class than we do our dances. Last week's dance on October 19th with Cliff Simpson calling and Howard Delcambre cueing should have been a great dance, but we were up against Quail's Anniversary dance. We expected it to be a small dance and we were not wrong. We got 3 squares for the first tip but most of the time we only had 2 squares. Cliff did a super job of making it fun. All the other clubs support the anniversaries so we have to rely on our club and only 26 members and 5 visitors showed up. We do have a choice because we can go dark on their anniversary and go to their dance. They have chosen to go dark on our anniversary and come to our dance. If you want this to change you can come to one of our meetings and let your voice be heard or let me know.

Remember if you paid your dues for next year YOU HAVE to be present at the November 2nd dance at the time of the drawing. We wish you all could win. This year we have one \$50.00 and four \$25.00 prizes so more members can win.

December 8th is our Cowtown Singles Christmas Party at Cowtown so don't forget to mark your calendar. Class members are all invited. Watch for flyer.

Next Cowtown Singles members' meeting is on November 12.

Hello everyone,

Hope all is well with you all. I'm doing great. Sleeping better, getting out more, and just enjoying life. I'm seeing more of you all which is good. Most are doing well also, good to see.

I did send out cards to Bruce & Lois Roberts, both were not feeling well for a time. Margie Hart had a procedure done, and I see that she doing better.

Also doing better is Gary Cowen with his eye surgeries. Glad to see him more often.

Janet Vinokur and Elaine Ladd both took little spills but were back upright and out dancing soon after. Go girls!

Janice Dumos went though surgery for skin cancer so we're glad to see her back dancing.

Phil Vinokur is still suffering with back pain and we hope he heals soon.

We have two members that are in a difficult place right now. Janet Vinokur's father passed away this month, so that's a void in her life, and Kathi Woods is in a long distant care situation for her parents. Any care for a loved one is tough. Support our friends when you get a chance.

Well it was a busy month for me, but I don't mind showing you I care.

Take care everyone!

Hello club,

I sure am enjoying the cooler weather for dancing at Cowtown. We are having great times on Wednesday evenings helping the new class learn with us. We are having excellent attendance, around seven squares each class! Thanks to all our fabulous angels, you make it so successful! Our class members number around 15 and are learning well and having fun. One couple, my personal friends, just raves about it at a meeting we attend together. It is great to hear good things said about us in public. Keep on being so friendly, that's what we do best and it works.

One item we could improve on is getting all angels mixed in to all squares. I know angels hang back to be sure all class dances. But then we have ended up with 8 or more angels in back square or sitting down. Not good. I propose everyone gets up quickly, "infiltrates" all squares starting from front. Please bring a partner with you. If we end up with an odd number at the back and some students out, we can do quick switch outs at that moment. That way each square would have more angel help. But this would mean at times you might be asked to sit one out. I hope everyone would be cheerful about that and let me try to do that quickly and fairly. I really think it wouldn't be more than one sit-out a night if we shared that part. And the squares would have interesting, new mixes. I am already seeing some 8 people tend to dance together every tip. That really isn't encouraging to the others. Just a thought. In any case, keep up the great work angels!

This Thanksgiving you can be sure Phil and I are giving thanks for this wonderful activity of fun, music, friends, exercise, and love. Really a life changing activity. We thank God for you, our friends at Cowtown.

You are the best!

Janet and Phil
