After all the things going on the last few months this sure is a much slower pace. Believe it or not we did finally get all the Christmas decorations put away. Guess we should be happy to have time to start making plans for summer.

Everything seems to be going good with the class and the angels helping. We are so blessed to have such a wonderful bunch attending on Wednesday nights, even with all the rain. With the new membership list we have 66 members. On an average, about 30 members attend our dances and about 10-15 bring food. We would like to thank all of you who do this because you are the ones that help make our club strong and so much fun. No matter what job you do or how big or small it is you who make up our club. Every month we have 15-20 members who take their time to come and eat dinner together at Nikko's and attend our monthly members' meeting. Everyone who is a member of Cowtown Singles is welcome to come and give us your views and vote. This is where we discuss and vote on things we are going to do. It is also our time to socialize because at our dances there is never enough time to really visit. We can't wait to see you there.

Our last dance was so much fun with Mike Hogan from Nebraska. He is such a fun caller it is too bad we only had 6 squares. Let me tell you those 6 squares left smiling and wanting to go to another one of his dances. Of course he did his Elvis to Pink Cadillac and a tip that had dancers going all over the hall.

Remember our Sunday class dances. If you can't drive at night it is a good time to come out and dance at class level and meet the new class members. We still have March and April and they are on the 4th Sunday 2-4:30. Hope to see you there.

Hello everyone,

What a winter we're having. I never remember this many cold days in Southern CA. I'm not complaining; the change is different. We need to break things up every once in a while.

I know there are a couple of bugs going around. Charlie and Elaine Ladd have been out for weeks now with the cough thing that's out there. It's hard to get rid of. We wished them well and hope they're back with us soon.

Glad to see Sharon Martinez back in class after surgery. She's looking well.

We do have a friend of Cowtown, Andy Abeles, that's not feeling too good. I sent a card out to hopefully brighten his day.

If ever you need a card sent out to bring some cheer to someone please let me know. I'll be more than happy to take care of that.

"A good friend is like a four leaf clover....hard to find and lucky to have."

(That's me trying to be Irish in this March newsletter.) I hope we all feel that we have many good friends here in our club. I am happy to report that I hear nearly monthly that people at Cowtown are so friendly and they love the atmosphere at our class. Keep it up people! That is what we are all about. Sure, we are teaching our class to dance, but it has to be fun and friendly if we are to keep the club growing.

Classmates are really thriving and learning. The sessions in February were lively and challenging and the group is staying large. Angels will definitely enjoy joining us now as we move into plus calls. You will be amazed how well classmates are learning. Please join us on Wednesday nights for fun exercise.

The second class level dance was great too. We had nine squares, including lots of visitors. I know they had fun because most people stayed to the very end.

It is never too early to be thinking about how to recruit new dancers for our next class. We need some inventive, creative ideas for finding new students, especially men. Anyone know of something we haven't tried? I am all ears!

Be well!

Janet and Phil
