Sure hope all of you had a blessed Easter celebrating it however you did.

With our news editor going in for surgery on her knee we are trying to get this done a little early. Linda we want to thank you for all the emails and doing the newsletter every month for the club. We hope this is not too hard for you this month. Our prayers will be with you.

We were going to try and just let the newsletter go this month but with it being our last Class dance, clothing sale and Graduation there it a lot to cover. At our last Cowtown Singles members meeting it was voted to have Steve Woodard be our caller for the class next year in September. We will continue to have Sherry do a couple line dances also. Steve will be having a work shop starting May 29th and going dark in August. Great time for you to refresh if you haven't danced for a while, then come back as an angel for class September 11th. We also voted to give the class members the same as last year which is \$20.00 for membership. This will cover the rest of this year plus membership for next year and we will buy their badge if they do it before graduation. This is a super deal for them. We have a great club and we want to keep it that way with a wonderful new bunch of class as members.

Thanks to all of you who work so hard and do so many little & big things to help all the time.

Happy May Day

I hope you are all enjoying our spring weather. With all the rain, I've been seeing a lot more blossoms on my trees, so I'm looking forward to what they will bring. Myself, I'm enjoying this time of year.

We have a few of knee surgeries that went on this month that I sent cards out for. Dede Weatherwax, Linda Wicker and Rick Estorga were wished a speedy recovery. Don Richardson is still having some trouble with his knee. I let him know where thinking of him.

Janice Dumos had skin surgery that went well. Glad to see her back. A card of sympathy went out to the Vinokour's on the passing of their pooch. It's tough when you have a loss, most have been there. Sent out a card to Marion Brasfield to let her know she is still in our thoughts and wished to see her soon.

With the warmer temps we're having be sure to get your water in, and wear your protection. I pray we're all able to finish this class year strong.

See you on the dance floor,

Carolyn Griswold

Please welcome me in joining our newest members, Barbara and Barney Barnett. They are experienced dancers that decided to us after seeing what a great time we have as a club.

Be sure to look for them and welcome them into a square.

We're in the home stretch now with class. Steve is finishing up plus calls and will use the classes in May for practice mainly. I have to say that this class is really doing well and will be great dancers. Our angels are enjoying the brush up instruction as well. We want to thank the support the class has gotten from our angel squad. It really has helped to have so many good dancers in every square to be examples for the class.

Our last class level dance was held and we had a good showing with seven squares. We want to thank the Grapestompers club for their exceptional turnout. Speaking of turnout, one surprising no show was the scheduled caller. Our very own Phil Vinokur stepped in and did a super job of calling the fun dance. Thanks Phil and also Carol, Kathy and Janet for leading the group in some line dancing.

Join us for our last few classes. In June and July, Steve will be hosting plus workshops on Wednesday nights.
