The time just goes flying by. It sure has been nice to have some time to get ready for class to start. We have really missed seeing everyone. Hope you have been passing out business cards to encourage new class members. Dan Lawyer has had new signs made and they really are flashy. Our old ones were getting very used and it was time to refresh. Be sure and look for them.

Our dances have not been as good as we would like. They seem to be about 3 or 4 squares so I guess we should be thankful for the members who do come out. When we had Andy Allemao I think we had 7 or 8 squares. He seems to draw a nice crowd. He is so friendly and talks to everyone. We are blessed to have so many good callers and cuers .

We have a nice group of 38 going to the Storm Baseball game on August 7. This includes 8 members of the Twirlers going with us. It should be a fun night. I have the tickets and will give them out at Steve's last workshop on July 31. I'll also have them at our dance on August 2.

Be sure and remember Cowtown Singles Swim party at the Wickers on August 10. It looks like we will have a nice big crowd and lots to eat. Some of the men are cooking ribs and chicken drum sticks and the rest is up to us to bring something exciting to eat. It will be a wonderful time to get to visit. We are asking that some of our member help clean up before they leave so Linda and Phil don't get stuck with all the work.

Looking forward to seeing all of our members at our next Cowtown meeting at Nikko's on August 12. Have a great summer.

Hello everyone,

Well I hope everybody is enjoying their summer. I see that some of you have been doing some traveling. Me, I'm sticking around town, not too much going on for me. Taking a couple of days off for a stay-cation.

This month I only had a few of cards to send out. Maurine Adams took a spill earlier this month. Hope she is doing better at this time. Shawn Estorga had eye surgery, we sent her well wishes. Yvonne Mitchell is recovering from surgery of a broken femur. I sent a card to let her know where thinking of her.

If anyone hears of someone who needs cheering up please contact me, I'll be more than happy to see that a card is sent out.

Continue to enjoy the summer break; it will be over soon enough.

Membership

Gene Stauffer

Welcome back Larry Voll! Larry has rejoined our great club after being away for a year. Please invite him into your square. This brings our paid membership to 79.

We will be starting our 2020 membership drive in September. Watch for the details coming soon.

Hello club!

It's August and my thoughts turn to recruiting the new class. We will be working equally hard whether we have a small or huge class. It is so much more fun to have a big class creating energy in the hall. So, please, if each member of our club brought a friend to class, we'd have a fabulous group. We have business cards available at the dances for you to hand to people. Everywhere we go, we look over strangers to see if they'd be candidates for our fun activity. I have found us new members at swim classes, Weight Watchers, and restaurants. We have spoken to every friend and family member. Most of our longer time members have also spoken to known friends. We all need to talk to strangers too. It is now time for new members to search their contact lists and share the fun. Also, be brave, (men I am talking to you especially), and speak to men wherever they are hiding out! I believe our club's future rests in a better ratio of men/women dancers. Where are these guys? We still value our new lady dancers too, of course.

On that same note, several of our ladies are planning to learn the man's part this year I thank them for that and have assured them that we welcome them as they do this challenge. They will be considered class and will be dancing every tip. It will mean that, occasionally, a man angel may sit out a tip. Just as with the lady angels who sit out, I hope to share this problem equally. I do my best to have an angel only miss one tip a night. If you feel I have overused you ever, please tell me right away rather than being grumpy or huffy and complaining to others. Unfortunately, it goes fast at that moment when I have to equalize the squares. It would be very nice to just have the angels help and notice for themselves if they have danced every tip. Last year went pretty smoothly for the most part. Cowtown angels are the best.

Phil and I are enjoying the break of summer, but we are also missing class and ready to do it all again. We love the new dancers! Come out with us Sept. 11 to meet the new class once again. Let's make it the biggest beginning ever.
