What happened to our summer? The only thing I really remember is the swim party. It was so much fun and thanks to all of you who helped. So many members really helped get ready and clean up after. Of course all of you who brought delicious food out did yourselves. We had about 40 as close as we could count. Lots of guests got their ducky badge for dancing in the pool and after that they danced in the bathroom to get their crack pot badge. Of course none of this could happen if we didn't have Janet and Phil Vinokur bringing all their equipment. Thanks to Phil who spent most of his time calling so everyone could dance. Of course like most of us we spent several trips to the food table. Linda & Phil Wicker have the most beautiful spot for a picnic and work very hard to do this every year. Thank you Wickers. What a super job of cooking the chicken and ribs. We had several members step up and help. It is hard to cover all the guests who helped in so many ways to make this one of our best picnics so far.

As for the ball game, I have to go by what everyone tells me because due to sickness we were not able to attend. I did find out that if you were unable to attend that your tickets can be used on any home game of this season. We never knew this before but when I called to thank Eric for all his help and told him several member were sick he said as long as the tickets have not been scanned we can use them. This is good to know for next year or this year if you happen to have them. We had 8 members of Twirlers attend with 30 Cowtown. I heard the hamburgers and french fries were great and fun was had by everyone who attended.

Almost time for the class to start. We hope you have passed out a lot of cards and talked to a lot of people. Remember to come early on Wed. the 11 for the first night to welcome the class and get your first night free. Be sure to notice our new signs for class that are up now at Cowtown. Our dances have had poor attendance of our members from last year's class and hope to see more of you coming to our dances. Thanks to you that are coming. Not only are you having a good time, you're getting floor time and dancing to different callers.

The next members' meeting at is at Nikko's on September 9th. We hope to see you.

Have a wonderful Labor Day

Hello everyone,

We're in the home stretch for summer. That doesn't mean the heat will end, but it's some-thing to look forward to. Another thing to look forward to is the start of another class season. Woo Hoo!

I'm happy to report that I didn't hear of a need for any cards to be sent out this month, so I take it everyone is doing well. If you do hear or see someone that needs to be lifted up please let me know and I'll be happy to send out a note of cheer.

Looking forward to seeing you in September,

What a fun picnic we had. A big thanks to everyone that attended, brought delicious side dishes and desserts and added to the fun.

Phil Vinokur did a great job calling so dancers could earn their Ducky badges by dancing in the pool and their Cracked Pot badges for dancing in the bathroom. Thanks to all of our "experienced" dancers that helped fill out the squares to make sure everyone that wanted a badge could "earn" it. Seemed like a good time was had by all.

Thanks to the Club for providing those ribs and chicken that Phil Wicker and Don Hendrickson cooked. Delicious!

This was the easiest picnic Phil and I have hosted thanks to all the people that helped set up and those that helped clean up after. Boy was all that help appreciated and made it a much more relaxed afternoon for all.

By the way, a nice towel was left over after the picnic. If you are missing one, it will be at the next dance or call and let me know.

It's time for our annual membership renewal drive! Your low \$20.00 annual dues helps the club continue the great fun and fellowship we enjoy together.

The club has once again decided to incentivize you with cash prizes for renewing your membership by October 18, 2019, the date of our last October dance. This year's class graduates have already paid there 2020 club dues and are already entered for a chance to win. Remember, we need to complete our renewals in October so that rosters can be submitted in time to complete the insurance enrollments before the first of next year.

The drawing will be at our November 1<sup>st</sup> dance and you must be present to win.

The prizes are:

One First Place Prize - \$50.00

Four Second Place Prizes - \$25.00 each

You can pay the low \$20.00 per person dues to any club officer or by mail to:

Hello club!

Well, here we are at the very exciting time of the year! Time to meet and greet our new friends and future club members at our beginner square dance class. We start again Wed. Sept. 11. Ask your friends to come early (6:30 is good) so we can comfortably get them registered. Usual time is 7:00 to 9:00. Class is open enrollment for two weeks. We can use the help of as many angels as possible at the first classes when, hopefully we have lots of new students. If you feel so inclined, nice finger foods are also a good treat to wow them a bit. We want to be as welcoming as possible to help them come in and stay. You may remember how you felt your first time. Please search your minds for any last people to bring. Phil and I even talked the Toyota man into coming as we bought our car from him. We'll see if he makes it!

I realize brushing up on the first basic calls may not be anything you need, I hope you can enjoy the fun spirit the beginners have and you find it lots of good fun. The exercize is still the same too. I know I love class in September! I believe I have been going to class nearly every Wednesday since I started 13 years ago, either as a student, angel or coordinator. It simply is the best thing to be doing on a Wednesday night in Riverside!

I hope we will see you in a square this year on Wednesdays! Hugs,

*Janet and Phil*
