WOW! I am so proud of all our Angels who are coming out for class. More of you come out for class than for the dances. I would like to know if it is because the dancing is easier, over earlier, the day of the week, don't have to dress up or you just feel more at ease. Please let me know when you see me in class or at a dance. For whatever reason, thank you for all your attendance. We had 7 squares for the first couple of tips in class last week. Keep up the good work. It is a wonderful way to get exercise without going to the gym. Look at all the new friends you are going to meet.

Due to a big water spill we are having the floors refinished. This is why we ask not to take drinks out on the dance floor. It is a big expense to the hall but it is necessary to maintain a good dance floor for all of you.

Now that Summer is over we have come up with an idea at our last meeting for our dances. One of us will be going over and turning on the air at Cowtown so it has a chance to cool down the hall before everyone gets there. This really helps and as soon as the temperature gets cooler we won't have to do this.

As of the end of September, we will be getting ready for all the fun holidays. Don't forget to keep December 14th for our annual Christmas party at Cowtown. It will be here before we know it.

Next meeting will be at Nikko's 5:30 to eat and around 6:15 for the meeting. Hope to see all you members there.

Hello everyone,

Hope everyone is doing well. It feels good to be back in the swing of things after the summer break. We're expecting another good year. We had a nice start.

I did send out a few cards this month. Lois Roberts had wrist surgery she's recovering from, and Gary Cowen had trouble with his eye. We wanted to let them both know we're thinking of them. Sent a card to encourage Janice Dumos for test results that are pending.

We had some wonderful cooler days that I hope will come back in time for Fall. Enjoy this season of whatever comes your way.

See in a square,

Hello club!

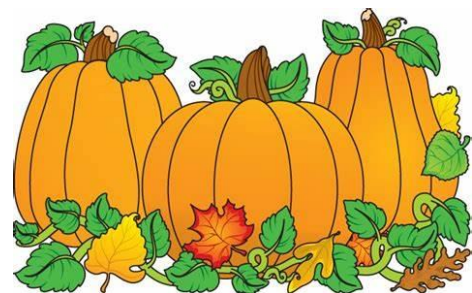

Here we go again! Our first two nights of class have been fun and exciting. We are still shaking down the numbers a bit, so I can't be sure how many newbies we have. 23 people have come and registered and I will be calling any who aren't at each lesson. We will have a better idea for you next newsletter. But I can tell you that they seem to be a happy and enthusiastic bunch. There are several ladies who were surprised to notice some angels they already knew, so that was a good bonus. We have to thank Gene and Susan for bringing the most new class members. They know people in their horse community who were interested. Great job! We had a nice turnout of angels too. We had six squares, which makes a fun energy in the room. Thanks also for the snacks people brought.

There is one thing I would ask for help with.... When we need to get a class member in a square and Steve asks for a volunteer club member to step out, please volunteer one time. The same few always do it and I really don't think that is right. No one needs to volunteer more than once if we all share this. Thank you.

This looks like a fun group and I hope you are getting a chance to visit with them at class. Sheri is cueing fun line dances too, so you can really get your workout in on Wednesdays at Cowtown.

See you in a square!
