It is scary and I don't mean Halloween. Can you believe how close we are to the holidays? Now that is good and bad. It seems like all the bills come in at that time along with Christmas. Oh well, guess we can worry about it when they come and just enjoy square dancing with all our friends. That reminds me to have you notice the floor at Cowtown. We are asking your help with taking care of the floor for the dancers. Please don't scoot tables and chairs or anything that will scratch the floors. If you see someone doing this please remind them to pick things up. If something gets spilled get paper towels from the kitchen and wipe it up right away. Do not use soap or hot water. If we all help the floor will stay looking good. Thanks for all your help

Our last dance was not well attended we had 24 dancers from our club, which was great, but only 5 visitors. We had 3 squares and I think everyone had a good time with Mike Haworth calling and Howard cueing. We need 44 members to even break even. We might need to think about going dark on Calico Quails anniversary or getting a less expensive caller and maybe no cuer just for that night. Quails have voted to go dark on our anniversary the last 2 years. It has been a request to have clubs do visitations to other club's anniversaries. When we dance on another club's anniversary we can expect a small dance. At 7 pm we only had one square and the rest came in later. And we only had 3 couples round dancing. It is hard for all the square dancers to sit and wait while they dance. It's also hard for Howard to cue to. I am sorry to have to write this but I am only trying to figure out what is best for our club next year. Come to our next meeting and help us decide. It is on November 11 at Nikko's. Check the calendar for times.

On the good side, I would like to say we had a super class night with 5 squares. Angels you are doing a great job of helping the class with partners. Keep making it a fun night for the class.

Hope you all have a wonderful Thanksgiving.

Everyone,

I heard we have four seasons in SoCal. Summer, Fire, Flood, and Wind. Sometimes we have more than one season going at a time. Right now, wind and fire. I hope everyone is making it through.

We expressed our sympathy to Don Hendrickson and Lisa Spencer whose mothers both passed this month. Our hearts go out to them. I also let Teresa Moreno know we are thinking of her as her foot heals after injury. Hope to see her soon. Also hoping for the best for Shawn Estorga. I let her know we'll be thinking of her as she had eye surgery this month.

We'll soon be in holiday mode, with all the busyness, that goes with it. Keep yourselves happy and well.

If someone needs a card sent out to lift them up by knowing we're thinking of them, please let me know.

See you later

Thank you to everyone that has renewed your Cowtown Singles membership for 2020! I know it seems very early to do something for the year 2020, but there is a lot of paper work to be completed and filed with multiple organizations to secure insurance for our members by January 1st. Renewing your membership during the drive saves us from having to duplicate all this work later when you renew.

We have 51 paid memberships for 2020. Our prize drawing will be at our November 1st dance. (Since I have to write this ahead of time I don't know the winner yet.) The winners will be in our December newsletter.

I will be in touch with those on my "naughty list" that have yet to renew.

Hello club!

It was another great month of good support for the class from all you angels. Thank you so much. It appears the class is learning how to use the dance cards also. Please continue to ask class to get on your cards. It is a real push for the older women to ask men to dance, so help them out by asking them first. Remember this is all new and it can be overwhelming.

I want to thank Phil for handling my duties while I was on vacation in October.

We will be beginning the Sherriff party fund. The small contributions add up quite fast. We will be enjoying pizza pretty soon. We hope to see you in a square soon. We count you all as one of our blessings to give thanks for!
