I can't believe January is almost over. Where did it go? Now we are getting ready for our first of four class dances. By the time you read this, the first one will be over and you will know how much fun it was. February's will be just as much fun with Steve Woodard calling and don't forget to mark your calendar for March as the dance is the fifth Sunday not the fourth. This is the only one that way.

Our last meeting at NIKKO'S was well attended and a lot of material talked about. It is nice to get to visit with everyone in a friendly surroundings and good food. If you are a member and haven't come to a meeting we would love to have you. Our meeting is on the second Monday of every month.

Thanks to many of you for helping with our project for Thanksgiving and Christmas this year. We were able to help three members of our class or club at Thanksgiving and at Christmas. I can tell you the money was well received and helped them a lot. I would like to share how it helped but I don't want to embarrass them. Just know you are all wonderful for giving it was a HUGE success. Thank you again.

So many of our members and class are going through a hard time right now for various reasons. Carolyn has been very busy sending out cards. It is very important when you are at a class or dance to take a little extra time to visit with the ones who need your support of a few good words.

Howard is not having his classes on Sunday night anymore. This was a hard decision for him to make, but he will continue to do our dances.

Have a Happy Valentine's Day.

Hello Everyone,

We've made it to 2020! How many can say they are still working on their resolutions? Most make it to day 13 and quit. We all want to make the best decisions at the time. All I can say is we must choose wisely.

We have Lois Bell and Flo Haynes that are still recovering from illnesses, hoping they are feeling better now. Michelle Polley has had back surgery. We let her know we're thinking of her as she recovers. Carolyn Ulrich and Marvin Lowe both have pending surgeries I'm praying the best for both. We let Sharon Cowan and Janice Dumos know we were there for them. Great to see both back with us. We also need to love on Crystal Lowe when we see her. Her younger sister passed this past week. We let her know we care about her sorrow.

I also sent out a couple of cards to those who just needed to hear that their friends are thinking of them when they're absent or just need some hug mail.

Please let me know if you hear of someone who needs to be lifted up, if only for the moment.

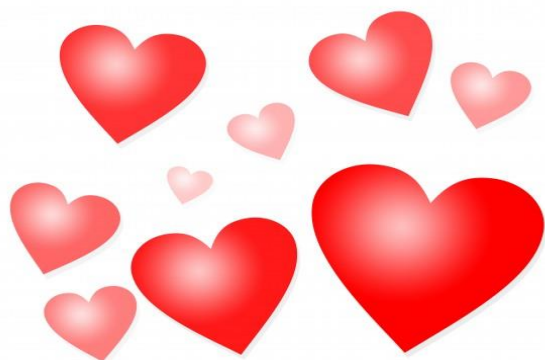

See you soon,

## Membership

**Gene Stauffer**

We've had a great Membership Drive for 2020 and I thank all of you for making Cowtown Singles such a warm and fun organization.

As of the first of the year, our club has 61 members plus 7 Honorary/Associated members. This total places Cowtown Singles as the second largest club in CCHA, behind Boots and Squares with 98 members.

Happy 2020 to you all!

A whole month has flown by again. It was a busy month for our class. We had our pizza party early in the month paid for by the Sherriff fund. It was nice to relax and have time to sit together and get to know each other a bit. This group is a great bunch of people. If you haven't been out to meet them yet, you are missing out! We are progressing through the calls well. I still say we have the best angels around, thanks for all you do, behind the scenes and obviously. You make my job easy!

We had our first class level dance the 4th Sunday. We had a good turnout of visitors, especially Thunderbirds, to make a fun dance. We had 7 + squares. We ask everyone to invite someone to our next dance, Feb. 23th. It is really fun to have a roomful of dancers; I know you are out there! Thanks to all who brought finger food. We had a nice bunch of snacks. Our clothing sale went well but we are very short on blouses. Do any of our club ladies have some blouses hanging in your closet that you'd like to see in a new home? If so, please get them to Betty or Janet at class or a dance and we'll see they go to the sale next month.

Happy Valentine's Day to all our friends at Cowtown. Remember that dancing is friendship set to music!

Take care and stay well,

*Janet and Phil*
