The months just keep slipping by don't they? Nice to see all the trees in bloom. I guess I should say all the weeds are in full bloom also.

We hope you had a chance to make it to our February 23 afternoon class dance. If you didn't you really missed a good one. We had over 8 squares of dancers having a great time and it was such a beautiful afternoon. Steve and Sherry did a super job of keeping the party going. For those of you who don't like to drive at night and in the traffic, this is your time to get out. So many friends from other clubs were there Thunderbirds had 12 of their club at the dance. Don't miss our March class dance on the fifth Sunday the 29th. If you have any clothes you don't need any more you can bring them to the class dance and donate them to the clothing sale we have for the new dancers. A BIG THANK YOU to all of you who brought all the refreshments and helped us with the clothing sale and all the other work. It takes a team to have a club and you are it. Our last class dance will be on April 26.

We have decided to have graduation on June 10 and to have it open to other clubs. That means it will be pot luck so please mark your calendar. Come and spend time with all our new members. There will be NO workshop on June 17. Steve has to be gone so his workshop will start on June 24 until the end of July. I know Janet will cover this in her article later but I didn't want you to miss these dates.

I hope to see many of you at our monthly member's meeting on March 9 at NIKKO'S. See Linda's write up for time and address.

Dan and Betty

Spring Has Sprung!

Hello everyone,

Only 29 days this month. Mine was very full between all my interests and cleaning. It's been so warm here I got some much needed upkeep on the house done.

I hear Dede Weatherwax is doing okay after her knee surgery, so that's good news. More good news Janice Dumos, and Marvin Lowe are also recovering well after surgery. It's nice to see Teresa Moreno, though not up to dancing yet, but getting better. I'm glad to hear most are keeping pretty healthy and active.

I think we may be through with all the chest colds and coughs for now. Onwards towards hay fever and allergies. Are they one in the same? Whatever the case may be, protect yourselves because it's getting to be that time of the year again.

If ever you hear that someone is ill or needs a card sent out for whatever reason, please let me know.

Enjoy,

Carolyn Griswold

Hello club!

Another month flew by and hopefully we are into lovely spring weather. That also should mean the end of flu season and hopefully all of us are feeling better and stronger. I know it knocked out Phil and me for way too long last month and we each had to miss dancing opportunities because of weakness. On that note, please stay home when you are sick! Square dancing is a perfect activity for sharing germs with all the hand touching and hugging. Unfortunately, we noticed too many people coming to dance sick last month.

Our class is doing very well and is learning plus calls now. We want to invite club members to come out Wednesday nights and dance a fun program. Attendance stayed really good for class members in February, but we noticed a decline in angels. I imagine that was due to illness and hopefully that is all resolved now. It is fun reviewing the plus calls and Sherry is cueing great line dances, so I know you will have fun. Come on back, please!

Our class level dance in February was called by Steve Woodard. We had seven plus squares and it turned out great. Thanks to all who helped out making it a fun afternoon. Phil and I had to leave early to go to our granddaughter's birthday party and it was so nice to be able to depend on so many people to help clean up. The class level dance this month is on the 5th Sunday, March 29th with Mike Kellogg calling. Then April will be the 4th Sunday again. Hope you can make it to one of them. They are a lot of fun.

Phil and I aren't Irish, but we will wish you a happy St. Patrick's Day anyway!

See you in a square!

Janet and Phil
