Sure seems like it's been forever since we have been together with our wonderful friends from Cowtown. We hope you are all getting lots of projects done while we have all this time. In the meantime be sure and stay safe. We can't wait to see all of you when we can dance again. Please remember to try and get some sort of exercise whenever possible.

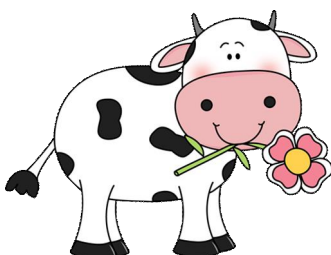

We have been cleaning out old paperwork and doing a lot of paper shredding our computer got hacked so that was a real mess. No computer for almost 2 weeks while it got wiped clean. We had to change bank accounts get new credit cards and notify anybody we could that our computer was hacked. So you can see we have made good use of our time. Please be careful with these scams that are going around. You don't want to use your time like we did.

On top of all that when we went to check at Cowtown to make sure everything was OK and we discovered someone had tried to steal the air conditioning units on the outside of Cowtown. They had cut off one unit ready to steal it when we discovered it. We reported it to the police and they are now watching it we hope. Can you believe what next?

We can't begin to tell you how much we miss all of you and we pray you are safe and have plenty to eat.

Lots of hugs from

Dan and Betty

Cowtown's Sign before it was hit by an uninsured driver

Hello everyone,

I pray all is well with everyone, staying safe and healthy during this pandemic. It's difficult times with all the lines and inconveniences of everything we took for granted not so long ago. I'm still required to go out to work, and it is strange to see the impact the "Stay at home" order has on our communities.

I did send out some cards this month to two of our ladies that lost their friends. Sherry Stanke and Beth Houlihan are remembering the times they had with someone close. I also wanted Carolyn Ulrich and Dede Weatherwax know that they are still on our minds as they recover.

I wish I had the time to send each one of you something to lift your days as we stay close to home. Who knows I might surprise you. Know that I am thinking and praying for you, and hope we're able to gather soon.

If you do know someone that needs a card sent out please let me know. I'll be more than happy to do that for you.

Fanny and Floyd want to be dancing again at Cowtown as much as you do. Meanwhile they are enjoying quiet time at home.

Hello all,

Well, here we are, all safe in our own homes, staying in touch electronically. I know I have learned many new ways of contacting my family, friends and businesses. I learned Zoom, a video chat for groups, to stay in touch with Weight Watchers, and my large family has also set up "conference" calls. It is pretty neat actually. If any of you are having trouble with techie stuff, Phil and I would be glad to help if you want to email us at purpledolphinjc@yahoo.com, or phone us at 951 2045215. Do stay in touch with people; it helps with the isolated feeling.

It seems like a long time ago that we had class. We had a nice chicken dinner at our last one actually. Glad to have that memory. We don't know when we will be back to normal class, but I am sure we will get back full strength when we can, and we will finish out all the calls after that. Steve has said he will do that for us, so no worries please. Meanwhile, I am writing you emails each Wednesday of ways you can stay in a square dance frame of mind. We are in this together and we will make it work, I promise.

I don't have much else to say, unless you want me to tell you about all the chores I am doing around the house. LOL I am definitely not a domestic goddess, so it is remarkable that I am actually enjoying doing one chore a day, just to get me out of my recliner. I hope you are finding things to do also and staying safe.

Take care and God bless you and keep you,

Janet and Phil
