First of all I just want to say I am so sorry to have missed that great picnic in the park. What a nice time you must have all had. We were going to be there and had planned for it. I even had Lorraine come and stay so she could go see everyone. Guess you all know by now Dan ended up in the hospital and all our plans changed. He had problems with his blood pressure but he is back home and doing okay now. It sure is a nice picture you all took so we could see all of you.

Things are beginning to open. Not yet for square dancing but soon we hope. As of right now Single Swingers, Redland B&B's and Sunkissed Squares have asked to dance at Cowtown until their places open up. They are waiting for a date from our hall. We will let you know as soon as we hear anything.

Howard Delcambre's, our cuer for many years, memorial will be held at Cowtown on June 17. The burial will be at Arlington Cemetery at 10:30. Due to Covid we are not sure the public can attend. We will put out an email when we know more. Everyone is welcome to come to Cowtown after. We don't know at this time if snacks will be allowed.

It sure is nice to get together after all this time apart. We can even go out to eat when we want. We did go out to eat with fourteen of our friends and we even got to sit at the same table. We went to the Riverside airport and we had not been there in years. The food was great and the social was even better. We hope all of you are getting out more and still using masks where required. Lots of good things are coming.

See you in a Square soon, we hope.

Happy  
Father's  
Day

Hello all!

We just had a marvelous day in the park last month. 24 class and members got together for a simple picnic. Not pictured were Priscilla, Margie, Marvin and Bob (Marianne's friend who took the picture). As you can see from our smiles, we were very happy to see each other again after 14 months! It was a bit cold, but we toughed it out and had a great time catching up with all of our news. I was so happy to see such a great turnout and sorry for those of you who had to miss it.

Exciting news: Check out the gentleman in the back row in the cowboy hat. That is Irwin. He is a very interesting fellow. He lives in Apple Valley and has come down the hill for class with us. Turns out, he is quite the collector. As we talked with him at the picnic, I got the idea that we would love to see his collection of Western memorabilia and other items dating back to 100 BC! I guess he has a houseful, displayed by rooms. We convinced him to open his home to us and we will do another gathering which we are calling a FIELDTRIP. We are going to go on June 12th, 2:00 to meet at his house in a similar fashion to our day in the park. Bring a chair and be ready to be astounded. Since it is a bit of a drive, I will organize car pools if you let me know that you can either give a ride or need a ride. Irwin's address is 11822 Wapato Road, Apple Valley, CA 92308. His phone numbers are cell 442 242-2502, home 760 240 -6264. Please use your phone for directions, or call him if you need verbal ones. It looks pretty easy off the highway 15. Irwin asks that we do not bring dogs because his don't want company. I would appreciate an RSVP at 951 204-5215 so we can keep track of carpooling. I can answer any questions you may have then. I expect we will send email reminders also as it come closer. Please mark your calendars for a fun outing. I hope to see those of you who missed the picnic.

Dancing news: As I write this article, it is still too soon to tell you anything definite about when we start our workshop. We are waiting on June 15th reopening and then to see what the guidelines will be. As far as I know, we have tossed around doing a brush-up workshop series starting July 7th if possible. Steve will be our teacher again. I believe our whole club will benefit from this review and hope to see most of us there. Class members have told me they are ready to return and I think they will be about as good as our angels so this will work for us all. I will call all the class members individually once I know exact details. But save Wednesdays this summer. It is going to be fun, I can promise that! Call me, or look for emails, as we know more you will know more!

I have been staying busy with light babysitting and even getting back in the pool for water aerobics. It feels so good to have some of my old pleasures back. I hope you are well and enjoying life yourself. Keep on taking good care of yourself. See you soon!

# Membership

**Gene Stauffer**

A few more members renewed at our club meeting, bringing the club to 44 members with a 72% renewal. Thank you for supporting our club!

The dues being collected at this time are still for 2021. There have been a few questions about this. The pandemic has thrown everything up-side-down and the club has stretched time frames out to accommodate everyone as much as possible. If you paid your dues in October/ November of 2020, you are paid for this year. If you're not sure if you paid for this year, just call me (909 241-0183) or send me an email and I'll check the record. ([gene.stauffer@outlook.com](mailto:gene.stauffer@outlook.com)).

It looks like we will be able to dance again soon. So, if you are one of the 28%'ers, renew your membership now before I start collecting for 2022!

For membership renewal, please send your \$10.00 (special 2021 only rate) per person annual dues to:

Hello everyone,

I hope everybody is doing well and enjoying their semi-freedom. We're almost there! I'm jealous of the work at home, stay at home people. The grass is always greener on the other side I suppose. I would love to try it out for a while to see if it's true.

Dan Lawyer was having some health issues this month that I sent a card out letting him know we hope he gets well soon. Hope he's doing better at this time. Small list so that's wonderful. If I missed someone who needed a hug or if you know of someone that needs a card sent out, please let me know.

Speaking of freedom, I give thanks to all the service members and families that have sacrificed for our America. May we do well with the liberties we have been gifted.
