We finally got busy and put up some Halloween decorations, outside at home, but today we had to go take them down because the rain and wind would have wrecked them. I don't know if we will get them put back up again but at least we tried. Loved the rain because it washes everything off and make it look so bright and clean. Also takes care of the watering for a few days.

By time you get this newsletter we will have 5 new members at Cowtown. All of our wonderful class has joined our club. They are a great bunch and so much fun. I hope you will come out to meet them. Thanks to Janet and Phil for working so hard to keep the class together with us not being able to dance for so long. We have so many members working behind the scenes in so many ways. Thanks to all of you. Won't it be great when it gets back to normal?

It was so nice to be able to have our first meeting at Nikko's and be able to eat together again. Our meeting is the second Monday of every month at 5:30 to eat. They let us use the room free so most members eat before the meeting. This could cost the club up to \$100.00 if we didn't eat. They also ask us to please leave a tip for the waitress because she comes in to wait on us. This is for all members only and requires being fully vaccinated.

As of now we decided at our last meeting to have a Christmas Party at Cowtown on December 11th and it will be catered this year. We will have our \$10.00 gift exchange so be looking for your gift and save the date. We will also be having a Sunday Dance on December 19th from 2:00 till 4:30 pm. so keep that date free if possible. More information will follow closer to the dates.

Get ready for all our coming Holidays and please stay safe.

Hello everyone,

When you don't have much to say there's always the weather. I am so looking forward to the cooler weather even though I'll probably complain about it being too cold. Truth be told, I'm already doing it.

We had a couple of cards go out this month. Sherry Stanke had knee surgery and is on the road to recovery. Irwin Bettman had eye surgeries and I hope he's singing "I can see clearly now". I pray both are well on their way to brighter days. Let me know if anyone needs a card sent out. I'm here for you.

I hope for the best for you all,

What a great response from our wonderful club members!

There are 46 members, or 81% of 2021's membership, that are continuing to support Cowtown Singles through 2022. This the highest membership renewal rate in the shortest time period I've experienced since I've done the club's membership. Thank you all.

I'll be sending a reminder to those members who are yet to renew.

For membership renewal, please give your \$20.00 per person annual dues to any club officer or by mail to:

Steve and I want to thank everyone so much for such a generous gift for our wedding. That was so thoughtful of everyone and you all are so wonderful.
All our love.

Hello friends!

Well, after 25 months we have finally graduated the class of 2019! Our club has 5 new members who will be great additions to our membership. Please welcome them when you see them at dances. We had a lovely, sentimental night for graduation last week. Carol Higgins started it off with a comical poem she wrote herself. Then lots of thank yous and gifts were given. We honored our class caller Steve and his new bride Sheri with a wedding gift as well. They even had a "first dance" moment on our dance floor with a sweet two-step. We gave our graduates their certificates and badges and hugs all around. Oh yeah, we danced a bunch too. Lol! It was a fun night for sure

Steve is continuing the workshops on Wednesdays so please keep supporting that. I do hope the new graduates will go to regular dances as much as possible. Please do whatever you can to make this transition easy for them.

And now I will bow out as your club class coordinator. I have done this since 2007 and I think that will do it for me. I do hope someone has it in their heart to step up and take this position. It really is quite fun and new dancers are great to be around.

Phil and I will certainly be angels so we will "See you in a square!"

Hugs,

Janet and Phil
