Has it been a crazy start for this year or what? After much thought and hearing how many people have tested positive for Covid we thought it was in the best interest to stop our dances and class for a while. It was a shame because everyone was so happy to be at our first class. We have 6 new class members at this time and they want to come when we can start up again. We sure hope we get them back because they were so much fun. It was a great night for everyone who came and they really caught on fast.

Don't ask me what we are going to do because you know as much as I do. We are working on a day to day basis. As you know we have cancelled our February 4th dance.

I don't know what we will be doing about our club meeting on Feb. 14 but look for a text from Linda when we decide.

Please be safe and have a Happy Valentine's Day.

Lots of Hugs

Dan and Betty

Hey everyone,

Hope all is well with you all. I'm doing okay. Apparently I'm having a lot of fun because January just flew by. I guess with everything going on in the world I'm distracted of the days going by.

I pray that everyone is in good health, and keeping up with your family and friends. They say being communal is healthy even if it's a phone call or quick text to check in with those you love.

We showed support to Joyce Johnson from RSS this month now that she is in Hospice Care. For those of you who also sent cards of encouragement I'm sure they are appreciated by Joyce and family. Thank you with a hug.

Short and sweet. Stay strong!

Carolyn Griswold

If you have not renewed your membership, this is the last email you will receive regarding Cowtown Singles club business and the newsletter so please renew. You will still be on our friends list so look out those announcements.

We have several new and longtime members whose birthday information is not complete in our data base. If you would like to have your birthday (Month/Day) in the newsletter, please let me know. For those I missed in January (Kathi Wood and Joanne Kueger, apologies to you both)
