This newsletter will be short and sweet. With so many of our members gone or having personal problems we will do with what we have.

Our last meeting at Nikko's was well attended. I was so surprised. Nice to have all of you coming to eat and to attend the meeting. The next meeting is on April 11th hope you can attend.

I know most of our long-time members know that our Cowtown building is here because of a bunch of people went through a lot to leave it for square dancing. I know most of you really take pride in having a wonderful place to dance. I would like all of you to feel like this is your home place to dance. With that said I would like to ask you to treat it like your home. When you see something that need attention and you can take care of it, please help us. The air conditioners are one thing I need to address. There are a lot of people who just go and turn the knob and don't look at what they are doing. If you turn the knob all the way past the numbers and we leave, it stays on and never shuts off. This causes a large electric bill. If you see something on the floor, get a paper towel and wipe it up. If it is something that could cause someone to fall, please pick it up don't just leave it there. Please look around before you leave and take everything you brought. If you see trash cans in the bathroom are full, please empty them into the large trash can after the dance. All these things really help us keep the hall safe. Remember all the people who are helping are doing it for free and nobody gets paid so any thing you can do really helps.

The class is doing very good thanks to the angels who come every week to help. We have been having 3 squares each week. Thanks to all of you who are bringing new students.

Here's hoping you all have a very blessed Easter

Have a blessed Easter,

Dan and Betty

New Students Need Angels –Join Us!

Hello everyone,
For those of you who don't like the cool temperatures I hope you are enjoying our early Summer like weather. I hope this is not a foreshadow of things to come for when we really get into it. It's too soon for my liking.

A few cards went out this month. Phil Wicker is having trouble with his knee so we let him know we're thinking of him as well as Flo Haynes. She had a reaction to a treatment that gave us a scare. Both are recovering. Dede Weatherwax needed a little encouragement that things will be okay with time. Somethings don't have a timetable we just have to trust all things work together for the good.

For those of you who don't know - this is my last month as Sunshine for you all. I'm hanging up my dancing shoes. It's with a heavy heart of my decision because I will and have missed the people and the dance. Thank you for your friendship and the good memories. Know that I will continue to think and pray for you.

Be kind to others,

Carolyn Griswold

Thank you Carolyn for being such a special part of Cowtown Singles.

You have been a wonderful Sunshine Person with your warm messages appreciated by many. You will be missed and hope we will see you when you come to visit. In the meantime, best of everything to you and God Bless!
