Well here we are getting ready to start May and I don't know what happened to April. I still have Easter up at our house and don't know when I will get the time to put it away. Hope everyone had a nice Easter.

Linda Wicker is waiting for me to get this done so I will make it short and sweet. Phil has been back in the hospital so I want you all to know she has had her hands full. We hope Phil is recovering and back on his feet soon.

Our Sunday dance did not go too good. We only had 2 squares and it is hard to get everyone in a dancing mood with so few but Terri Sherrer did a great job of calling and keeping everyone having a good time. She even called some round dancing. If you were not there you missed a good dance. I wondered if it is even worthwhile to continue with Sunday dances if our members don't even want to come. Please give us your view on this. I really want our members to come because they want to not because they feel they have to. It would be easier for us the stay home also. Come to our monthly meeting at Nikko's on May 9th if you would like to help with these decisions.

Our class or maybe I should say our angel's class is having a good time. We have 11 class members at this time but the problem is we never know who is going to show up. We have about 5 class show up and we have 3 to 4 squares. Guess you can see that most of the class is angels. Thanks to all of you who come out. We do need more male dancers but the girls who do the man's part are doing great. Elaine is going to be calling all the class to remind them. Thanks Elaine for your help.

I would like to let all of you know that Carolyn Griswold will no longer be doing our Sunshine and sending out cards. Thank you Carolyn for sending out all the wonderful cards. You will be missed. On that note I want to let you know that Janet Vinokur has volunteered to be our new Sunshine person and I know she will also help us all with that. So if you know of anyone who needs a card please let Janet know.

However you enjoy Mother's Day, make it special

Thank you to everyone that confirmed or updated your membership information. I have the changes and will be sending out an updated list early this month.

The new class is going strong but we only have 4 active class members. Your help is needed to graduate the class into full club membership and build your club

Gene

Hello club!

I want to thank Carolyn for her years of service to our club as Sunshine lady. She has asked for a break now so I am happy to step in her shoes. I know we all appreciated her cheery notes. We love you Carolyn and wish you well.

I will need your help in letting me know if any of our members need a word of encouragement. Please email me at purpledolphinjc@yahoo.com or call me at 951 204-5215. In the meantime, stay well and let's get together as much as possible to dance, dance, dance! Exercise and friendship is the best medicine.

Oh, and don't forget Shirley Parker is going to be celebrating her 90th birthday on May 5th

See you in a square!

Janet
