I hope you are all out and dancing again. I was so thrilled we had 4 squares at class on last Wednesday night. I think we are going to try and do some line dancing if we can keep 4 squares coming. It is so much more fun to have all the angels and all the class there. Carol Higgins will start taking pictures of the class on June 1. Please try to be there.

Our dances are not doing as good as they should. We are lucky to get 2 or 3 squares. Our Sunday Afternoon dances which we expected to be larger dances, have only been having 2 squares. We started Sundays so our members and members of other clubs who do not drive any more can come and brush up on their dancing. It is also a great time to socialize. We are now having the classes that are done with SSD (Social Square Dancing) to come to our Sunday and Friday dances. It is a quicker way for dancers to get to go out dancing. We had 9 dancers from Twirlers at our last Sunday Dance. They told me this was their first SSD visitation as a club and they had a lot of fun. It let us have 3 squares. Cowtown Singles class is ready for SSD visitations but are planning to continue through additional calls. Come out and encourage members of our new square dance family.

However you spent your Memorial Day I hope it was with friends and family.

Hello club!

I hope you all are enjoying the nice weather before summer hits. Now is the time for any walks in the daytime. I hope we actually have some overcast June days ahead. It seems we are doing pretty well health wise as a group. I did send out get well soon wishes to Margie H. and Flo H. though, so give them a call if you would like to brighten their day. If you know of anyone you think I should call or write, please let me know. My phone number is 951 204 5215. Stay well and keep on dancing!

Hugs,

*Janet*
