Here we are ready for the 4<sup>th</sup> of July. I guess I should say the 4<sup>th</sup> is coming but I have no idea if I will be ready. Good thing us seniors don't have to leave our house to get to work. Do you have days that you can't remember where yesterday went?

We had 11 members come to our last meeting and we had such a good time eating before the meeting at 6:20. Bruce and Lois were celebrating their 25th anniversary up at big Bear so we did not have our minutes for the meeting. We had a lot different meeting and really got a lot of things decided. I wish all of you could have been there. We decide to charge the Angels and class \$5.00 for as long as the class stays at 4 squares. This will help with the price of gas. Sheri is doing line dancing from 6:15 to 6:45 and some in between squares. Steve said last Wednesday he has finished Mainstream and ready to start Plus next week with the class. The club many lose a few dollars, but it is doable. The dances will still be \$10.00. The members decide they want those Frst Friday dances to be alternate Mainstream Plus Dances. That means no SSD dancers. The Sunday afternoon dances will still be SSD, MS and Plus.

Note: The Sunday Afternoon Dances are taking advantage of the Church cooling the building until Noon and then Cowtown Singles begin setting up at 1:00. That means it's cool when the dancers begin to arrive.

We decide NOT to stop meeting in July and August. The members who were there said they look forward to getting together. That means we will be having another meeting on July 11<sup>th</sup>. Hope you can come. We talked about the price of food & gas to get to meetings, and everyone still wanted to come. Our club members also voted for the club NOT to furnish treats and it is up to members to bring a little wrapped treat every once in a while. Just like we did when we brought food. When members bring treats, it is not for dancers to stock up at home they are for at the dances. Thanks for your help.

HAPPY 4<sup>TH</sup> OF July

Hello Club!

I have not heard from anyone of any new needs from our club members so maybe warm weather is good for something at least. LOL But please do keep me in mind if anyone needs a cheering up note.

One good note I can share with you all is that Phil Wicker has completed his first part of his recovery and he will be going home July 1 from his rehab stay after a leg amputation. Our prayers are with Phil and Linda as they face the next challenges. This must be very hard, but I expect he will do well as he heals. Hopefully that nice warm pool they have will be a great place to continue his rehab. We love you guys and look forward to seeing you again at Cowtown.

I hope you have a fun and safe 4th of July. Phil and I will be staying home to help our doggie who freaks about loud noises. Maybe we can at least enjoy some traditional BBQ.

Hugs,

*Janet*
