If you are too hot at home come to Cowtown. We just got the A/C serviced and it was nice and cool for class on Wednesday. It was really nice on Sunday for our dance also. We had six members from Twirlers making it possible for us to have two squares. Sometimes I question why we have these dances on Sunday afternoon. It is hard to stop when the few that come have so much fun and don't want us to stop. I would like to have your views on what we should do about the poor turn out. To you who come thank you so very much.

Our class is doing great. We have been having four squares every Wednesday night and one night we had five squares. The club has been able to keep the price \$5.00 at the door with that many dancers. I am sure that helps them with gas being so high. Some of our dancers are carpooling and that makes it a little less expensive and more fun. It is so much fun to look around the room and see everyone visiting and making friends. Where else could have good music, exercise, etc. for so little money.

Our next Cowtown Singles meeting will be on August 8 at NIKKO'S. It is a nice time to get together and eat at 5:30 and meeting starts at about 6:15. Now that Lois Roberts has had to resign as secretary, we are needing a member who comes to the meeting to volunteer. Thank you, Lois, for all the times you did it for us. I know it was not easy with all you had going on.

As a club we would like to THANK DeDe and Teryl for being our club bookers. It is not an easy job and Covid did not make it any easier. We will be looking for someone to fill their shoes and those are big shoes to fill. Thank you both so much.

Linda is busy taking care of Phil and they are both doing a super job of it. Thank you Linda for keeping us informed with everything you have going on. For all of you who do so many nice things for our club like Carolyn Ulrich who supplied the ribbon and Shawn who sewed the boy sash ribbons. Carol Higgin's who took all the beautiful pictures of the class for our board. There are so many who help. To the ones, and I know there are many, thank you to all of you. I almost forgot the ones who bring or donate to help with the treats. That is a big help.

I did not mean to go this long. Hugs

Hello Club!

This is a picture of me with my granddaughters and Beth. The girls have blue tongues from a sucker. We saw a production of "Little Mermaid" at the Redlands Bowl. Beth and I have had so many crazy, fun adventures together over the 30+ years we have known each other. The Bowl is still having events Tues. and Fri. through mid-August. Check it out. It is good for your mental and physical health.

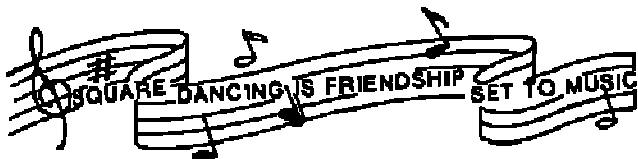

Square dancing was a big part of both our lives and now we are having good times with our grandkids. Do you think we will ever get them dancing too? (No luck with their parents. Remember we have a new class next month and all club members could help by finding someone to invite. I think these two little ladies are too young. I tried to get a young man interested who was spraying our house for ants. He said he was only twenty-two. I said if he brought a bunch of friends there would be some other 22-year-olds there. Yeah right!

Back to Sunshine items.... We wish a speedy recovery to Tony and Carolyn F. They both had short hospital stays lately. We hope they feel back to normal and ready to dance with us soon. Please remember to let me know of anyone needing a cheery note from the club. I love writing these notes to let our members know we love them.

Have a safe August. Drink a bunch of water in the heat!

Hugs,

*Janet*

2023 is around the corner! The club will be starting our membership drive for next year soon. I'll be sending everyone a message once we get started. Otherwise, nothing new to report.
