For all of you who came to our dance on Aug 28 with Tim Merino calling a big THANK YOU. For all of you who couldn't make it, I'll say a big SORRY. It was nice to have more than two squares and to have everyone having such a good time. Tim is a super caller and so easy for everyone to dance to. He called to the floor and no one sat down. Had two squares at the end and that was great. I hope you will all come out for our Friday dance with Andy Allemao. We all know what a fun caller Andy is so let's make it as fun as Sunday's.

We plan to celebrate our class on September 7. Due to Covid and the way our class started and stopped and so many class started along the way, we are just going to honor all those who were class. We have five of the original class that started and about 11 that have been coming as class. We have been so blessed to have such a great class and it has been almost like a dance instead of lessons. We have had about 40 Class and Angels every week.

Our new Class starts on September 14. We have no idea how it will turn out so we will see how it goes. Sheri will be back to do lines on Sept 14 to make the first night of class even more fun. I hope you all can come out and meet the new class. If you would like to bring a treat, it would be great. It no longer must be wrapped, but nothing that has to be cut to serve. Things like cookies on a plate or cut vegetables would work. No cake, pie or salad. If you have any doubts, call me.

Now for a little sad news. We only had two members besides Dan and I show up to the last meeting on August 8<sup>th</sup>. We did not have the meeting with only that many there. We ate and came home. I did ask at our July meeting if we wanted to not have a meeting in August or September. Everyone voted to have the meetings. The problem is that we get the room for free because we eat there and they have someone come in to wait on us. I felt bad for them so what I am going to do to make sure this doesn't happen is ask you to RSVP me by Sept 7 if you plan to attend the September 12<sup>th</sup> meeting. If I don't hear from you, we will not be having the meeting. I am not going to ask Linda to send a reminder because the meeting is always on the 2<sup>nd</sup> Monday every month so please just circle that day on your calendar. You can also let me know at class. Thank you with your help with this.

Have a happy Labor Day.

Hello Club,

Well, what a difference a month made. Last month I said our members were all doing well, and I had very few notes to send out to spread sunshine from our club. This month however was the opposite. I sent seven notes on a variety of needs. I am so sorry for the troubles so many of our people are dealing with, and I hope next month will turn it around for us. I am not comfortable listing what the problems were or even publishing names. I know this may be confusing to some members, but I feel it is almost gossip for me to put info out in this very public forum. I do like to let the people who are having problems know that our club is behind them, however, so please continue to call me or Betty when you know of someone who'd like a card. And if you are someone who would like to have your needs known in this column, please let me know that as well. I also had one member who I sent a card to that seem to feel upset with me about it because I had misinformation. Please know that my intention is always to spread love and peace and if there is a mistake, it was never intended by me or the person who asked me to send the card. Hopefully, September will bring comfort and peace to all our members. I send hugs and hope to see you in a square as soon as possible.
