How can this be? Halloween, Thanksgiving and Christmas right around the corner and I'm not even ready for Summer to be over. Well, we could use some cooler days

What a nice surprise for class night on the 7th. Lots of past members came back for the class to refresh. It was like old home week with all the catching up. How about all the new dancers and all the Angels who came back to help. We were so happy that we had over 5 squares.

Thanks to Elaine Ladd, we have been getting some nice news articles for Cowtown from the Press Enterprise. She has really worked on this. On the 21<sup>st</sup> we had a photographer from the Press Enterprise come to Cowtown and take pictures. Without her help we would not have made the front page. Thank you so much Elaine.

We need to talk about our Sunday dances. This Sunday we only had 2 squares most of the time. We only had 3 one time. Do you think we should continue having them in 2023? We should only have these if members are going to come. I know that Sundays are usually family so please let me know.

Hope to see you at class.

Hope to see you soon.

# Membership

**Gene Stauffer**

Thank you to the 32 memberships paid so far. We're at less than 50% though.

As some of you know, Susan and I contracted COVID and have not been able to attend class or dances. We are better now and will be back. I appreciate Betty and Dan's help collecting your dues in my absence.

Your \$20.00 dues for 2023 may be paid to any club officer or mailed to:

Gene Stauffer  
22720 Highview Ln  
Moreno Valley, CA 92557

Checks should be made out to Cowtown Single Square Dance. I can also accept payment through Zelle or Venmo. Please contact me directly at 909 241-0183 for details.

Hello club!

I didn't write any cards this month to tell you about. But I did hear many of you were under the weather. I hope everyone is feeling stronger again and that we will see you dancing again as soon as possible.

I have included this picture to share with you my greatest health secret. I absolutely love to dance, and I especially love to dance with new class members. Dancing regularly has so many healthy benefits, including helping with memory loss. Although Phil is my favorite dance partner, I find great joy in dancing as a boy as well. It serves two purposes. 1. We always have many more women than men in class and as you know, class needs to get in the square. 2. Since we have so many women in class, a lady angel who can't dance boy part will have to sit down more often than one who can do boy part. I really encourage our lady club members to come to class and learn the boy part this year. We need you in that role and as you see from my face, it is just plain FUN and really good for your brain.

Stay well and see you in a square soon.  
Hugs,

*Janet*
