Is everyone as excited as we are about our new class? are getting at least one tip with 6 squares. Then the line dancing members get a little tired and need to take a break, sometimes making squares short. It seems like everyone is having a great time. Members are starting to bring treats every once in a while, and that is super. We also have a place that members can donate for treats if they don't want to go to the store. If we start getting more members helping with the treats, we will stop collecting. Just want to say thank you to everyone who has helped with the treats.

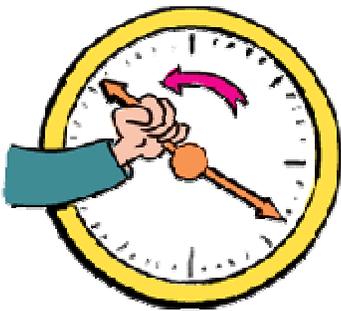

We did not have enough members (7) at our last meeting on October 10 to conduct a meeting, but we did have some very good discussions and I am sorry some of you missed it. We did decide to add & couples to our membership badges. The new ones that are for the class that just graduated have it on them. If it means you would like to have a new badge when you see them, they run between \$8.00-\$10.00 and you can have Dan Lawyer order one for you.

Carolyn Ulrich offered to take over reminding members about our meeting on the second Monday of every month and we will see how that goes.

Carolyn also got ribbons for us that say "Solo". We are in hopes it will help the single member get more dances. All we can do is try. We also were talking about trying line dancing at our Sunday dances and see how that goes. We will discuss this at our next meeting. It was also suggested we advertise our Sunday dances as Class Level. We really did have a lot of good discussion and wish you could have all been there.

The holidays are just around the corner so we need to get talking about what we want to do before it is too late. Please come to the meeting so we can get a better view of what the club wants to do. We have several members coming to help with officer positions we need to fill, and we will go over that at the next meeting.

Hello club!

Don't you just love the cooler nights and sweaters wearing weather? It is my favorite time of year. When Phil and I go to a dance now, we can actually dance the night away instead of dragging ourselves out for tips. I hope November finds you in good health and with much to be thankful for. We all should be thankful for our wonderful dance hall with its fabulous floor. There is just nowhere else as comfortable for my old joints. Perhaps the newer dancers haven't noticed that yet, but you will! Carpet or cement is just awful. I used to hear that Cowtown's floor is "the best west of the Mississippi". I believe it.

I didn't write any cards this month. Hopefully, that means everyone is doing well. If you know of anyone who needs a cheery card, please let me know.

Here's my email: purpledolphinjc@yahoo.com

Happy Thanksgiving everyone! Phil and I count Cowtown Singles Square Dance club as one of our biggest blessings! Hugs,

Janet
