I can't believe Christmas is over. I hope you had a blessed time. As for us for the first time in my life I didn't get Christmas cards off and no tree put up. We did have a wonderful time enjoying the season. With Dan's son passing away the Monday before Christmas it was a sad time for us, but it is good to know that he is with the Lord. We have a wonderful Church meeting at Cowtown on Sundays at 10 o'clock. If you don't have a church, it is Compass Church, and the pastor is Kerry Decker, and his wife is Janice. It is small group, and we enjoy going when we can. They do a lot for the members and even have a Bunko group.

With so many of our members being sick and other reasons our Christmas Party was a little smaller than last year. We had 28 members present and from what we heard from those who were there, it was a fun time. The drawing for the beautiful quilt Margie Hart donated was the highlight and raised \$230.00 which she gave to the club. What a super nice thing to do. Thank you so much Margie. One of our class members Kerri Olobri was so excited when she won. Everyone had a great time with the gift exchange. There was a lot of taking gifts away from each other. I think Gary Cowan must have opened at least 5 different gifts because someone would take each one he opened. It was all in great fun. We had plenty of pie to eat. So sorry some of you had to miss. Seems like Sunday was not a good day for many members but that is what was voted on at our club meeting. It seems like several dates got changed because of Christmas coming on Sunday and it comes on Monday next year, so we better think ahead.

Our attendance has not been good at our dances. Maybe we should not have dances in December next year. Let's talk about it early. I think it would be wonderful if all our members started thinking about how we can get back to how it was before Covid got us all staying home. It is so much more fun to come dancing when there are lots of friends there. How about you shake off the dust on your dancing shoes and come join us.

As of now we are NOT having class on Dec. 28, 2020, and Jan. 4, 2023.

Have a Happy New Year
Lots of hugs

Happy New Year to everyone! I pray you had a wonderful Christmas.

Our club is starting the new year with 65 members. This includes 9 class graduates that joined our fun.

I will be emailing a new club membership list to you in a couple of weeks. Please follow-up with me if not received.

Also, don't forget, you can join our club anytime. So, bring your dancing friends out and sign them up!

Gene

Class Coordinator

Kathi Wood

Hello everyone,

Hope you enjoyed your holidays with family/friends or just spending time alone recalling memories of Christmas's from the past. I am looking forward to the new year and watching our students learn more from the good teachings of our caller Steve and of course with the help of all our wonderful angels. Our students seem to be having a lot of fun in the learning process and have come a long way since day one when they did not even know what a square was or how many were in a square. My hope is that we will see 4 or 5 squares dancing again on Wednesday nights after the first of the year.

Remember there is no class on January 4, 2023, but will resume on Wednesday January 11, 2023.

See you in a square soon. My thanks for your support.

Kathi

Check out Flossie and Floyd

These Cows and outfits were created by a member (Doris) shortly after we became Cowtown Singles. Janet Vinokur has been dressing them for the season or occasion for many years. Next time you see them on the bulletin board, think of Janet and Doris.

Christmas Party 2022

Hello club,

Well, Happy New Year! I hope your Christmas holidays were lovely and you are ready for new adventures in 2023. Phil and I had very quiet weeks last month because we, and our extended family, had covid. So, though it was thankfully mild for all of us, we stayed home the whole CDC recommended times. Phil's really lingered, but hopefully we will be back to normal by our dances' resumptions. Thank God for the immunizations we all had.

I really didn't send cards out last month. I wasn't out enough to hear of anyone needing cheering. I imagine there was someone I missed, so if that was you, I hope you are better by now. Lol

Please remember to let me know of anyone feeling under the weather or in need of cheering up. We aren't out of the woods yet with all the various crud's running around in winter. If a cheery note helps, I am glad to write one.

Phil and I wish you a healthy and fun 2023. Dance, dance, dance!

Hugs

Janet
