How about all this rain? Sure saves on the water bill. I can do without the snow. I love to look at it but don't want to live in it. I did that too many years in Kansas.

We had a good meeting this month at Nikko's. If you were not there, we missed you. It is so nice to get together with members and have the time to sit and discuss things in a friendly manner. The food there is very good so that is a plus.

I don't have a lot to say because everything seems to be going very good right now. We are keeping 4 squares at class. Everyone seems to be having fun and learning at the same time. Thanks to all the angels who continue to come out and help. Last week when class was over several of the angels came and helped get the hall ready to leave and I have seen several of the men Angels see that a lady was leaving and walked out with her to make sure she got to her car. This was so nice, and I am sure it was really appreciated it. This is what square dancing is about. Taking care of each other and not finding fault. That goes for on the floor when we are dancing also. Maybe we could all work to do at least one thing special each time we are together that makes us feel great.

I hope our Sunday dances continue to grow so we can continue to have them. February's Dance had 5 squares. Brent Lively called a fun dance and everyone seemed to be having a great time. Let's keep it up!

Hard to believe Easter is just around the corner.

What a blessed time of the year.

Hi Everyone,

It has been such a joy to see so many of our students back and enjoying dancing. Each week Steve introduces new calls and sometimes it takes a few walk thru's to get it, but overall our students are coming along very well and seeing light at the end of a tunnel, Graduation by June.

Our Sunday afternoon class level dance was well attended. We had 5 squares dancing to Brent Lively, better known as Gumby. Everyone seemed to enjoy his calling and funny hats. Unfortunately, not many of our class members were able to attend, but there is always next time.

It is a great opportunity to get floor time with another caller other than the one you are learning from. Hope to see more class members at our next dance.

My thanks to all the angels for supporting our students and helping them dance in every tip. We have had 4 to 5 squares coming out each Wednesday, which is wonderful.

Did you figure out who the royalty is we dance with? It is our very own Ms. Kerri Olbri. She was Norco Rodeo Queen and Reginal Rodeo Queen in 2016- 2017.

Did you also notice there is a new cow in town?

Kathi
