Can you believe that Easter is sneaking up on us already? After all these years of dyeing easter eggs, making baskets, sending cards and all that it is down to what is the most important of all. So we will go to church and thank God for his Son without all the extra work. It does seem like something is missing without the family and a big dinner. We hope your Easter is a blessed one.

We want to let you know that Grape Stompers sent us an email thanking us for letting them use Cowtown for their dance on March 18th. We had a visitation to their dance, and they said 17 members came from our club. Thank you to all that came. They had a total of 7squares with another square that sat out to rest most of the time. Next month we have Single Swingers at Cowtown on Friday April 14. That would be another time for a visitation so mark your calendar. We also need to get to Twirlers on a Sunday afternoon. They have been so good attending dances and class as angels for us. May 7 would be a great day to visit because Steve Woodard will be calling and Sheri will be doing lines. They dance from 2:15 lines to 2:30. From 2:30 to 5:00 PM squares. It will be alternating every other tip-MS and Plus

Our last club meeting was on March 13th, and we had 11 members present. It was a super meeting, and we got a lot of business done. We still need a member to take care of sending out Sunshine cards when needed. The same person could also dress the dolls for every occasion. It is nice to have so much help at the meetings and at classes. Thanks to all of you who help put things away.

Have a blessed Easter.

# Membership

**Gene Stauffer**

Sadly, we lost two of our long-time members last month, Rollin Blossey and Lois Bell. Rollin would travel between his homes in Colorado, Oregon, and Southern California. He was a good dancer and always willing to lend a hand. Lois has been an Honorary Member for as long as I have kept track of the club's membership (2016). Sadly, I never knew her.

Please keep their families in your thoughts and prayers.

You should have received your March 2023 Membership List. Please discard your previous lists.

Also, don't forget, you can join our club anytime. So, bring your dancing friends out and sign them up!

We lost Rollin Blossey last month. Many of you remember him as President of Cowtown Singles. He supported the Club even after moving to Colorado and helping to start a Club there. A dedicated square dancer!

Hi everyone,

First of all, again, my thanks to all the Angels for supporting our students and helping them dance in every tip. We are still staying strong with at least 4 squares coming out each Wednesday, which is wonderful. Remember students, graduation is just around the corner.

Our Sunday afternoon class level dance was well attended. We had 4 squares dancing to Rod Shuping and everyone seemed to enjoy his calling and had a fun time. It is a great opportunity to get floor time with another caller other than the one you are learning from. Hope to see more class members at our next dance.

Lastly, the new cow in town if you were wondering is the new clock on the front wall donated and made by Bob Padilla. Bob is quite creative with his clocks and enjoys personalizing them. Thank you Bob for the new addition.

Stay safe and healthy and hope to see you in a square soon.
