Our students in class will be graduating on June 14th and we will start a workshop the next week with Steve Woodard and Sheri. If you want to brush up this is your chance. It is \$5.00 and starts at 7pm sharp. Try to get there by 6:30 to sign in and get ready. This year's class is doing a great job of not missing class. Our angels have been so great about helping we have some of the nicest men and they really help. This makes all our ladies happy, so it is a win-win situation. I have talked to the class members about joining our club and it seems like most of them, if not all of them will join.

Thanks to all our club members for supporting Singles Swingers dance on May 26th. It was Mary Mary's last dance as President for 15 years and the installation of the new Officers. I don't have a final count, but I think there were over 20 Cowtown Singles there. It was so wonderful to see Elaine Ladd there and be able to stay for the whole dance. Thank you, Flo for bringing her.

Just want to let you know that our club has now purchased and installed two new air conditioners, on the South wall at Cowtown. This should really make it nice this Summer for dancing.

Have a wonderful Memorial Day whatever you are doing. This is a great time to remember all our loved ones who are gone but we have not forgotten.

Get ready for a wonderful Summer!

Looks like things have calmed down a bit. No cards were sent out as no one told me about any new developments.

Les Smith is still experiencing quite a bit of pain. He should be getting radio frequency ablation done on June 19th. Linda Wicker finally got her hip surgery date for June 13th!!!! I am getting left knee arthroscopy, meniscus repair May 31st. Hope for successful surgeries and fast recoveries by all.

If anyone knows of someone needing a call or a card, please call me or text me at 951-531-4361. You all keep on keeping on!

Hi everyone,

Hope you all enjoyed your memorial weekend and saluted our veterans.

We are still staying strong with at least 4 squares coming out each Wednesday, which is

wonderful. Remember students, June graduation is June 14th and are looking forward to all of you as Cowtown members. We will also be having workshops once class has graduated, going over all the calls you have previously learned. You did it, you made it and we are proud of you.

Club members, please come out on June 14th to support our graduating students. If you have not attended our Wednesday class nights, it would be a great opportunity to not only meet these new folks, but welcome them to our Club.

Our Sunday afternoon class level dance again was well attended, and for a holiday weekend, that was great. We had 4 squares dancing to Phil Farmer and Sheri teaching line dancing between tips. Thanks to both the Thunderbirds for bringing some of their class members down the hill as well as the Twirlers from Menifee bringing some of their students. As I have said before, I think it is a great opportunity to get floor time with another caller other than the one you are learning from.

Stay safe and healthy and hope to see you in a square soon, or better yet on June 14th.
