How about all this hot weather? I don't think we have seen the last of it yet. Does anyone remember when we had no air conditioning at Cowtown? Dancers would come off the floor and put cold rags on the back of their necks. Now we have 5 conditioners. And members still complain about the heat. We just can't make everyone happy. For the members who don't attend the membership meetings I would like you to know that Cowtown Singles donated the last 2 air conditioners to the building. We did this with the money we received from Helen Crum who was our CCHA rep for years. Helen and Walt came to many of our dances when they were alive.

Several of our members signed up to go to Hello Dolly at the Redlands bowl and usher on July 27th. That means they will pass the donation plates at intermission. We did this with Redlands B&B's and it was a fun night. Check out the pictures on page 2.

Steve is continuing to have his workshop and it started out to be 4 squares but the last few times we have only had 3 squares. He needs to have enough dancers to allow him to make it worth his long drive. If it falls below the 3 squares workshops will stop. I know the heat has made us all not want to get out, but it is always fun after we get there.

I have been getting some requests for club Tee shirts. Let me know if it is something we should do.

STAY COOL,

Betty and Dan

Hi everyone,

This warm weather has been difficult to deal with these past few weeks. Hope you have all found a way to stay cool and hydrated.

Not much to report, other than our workshops on Wednesday's are holding at 3 squares. It would be nice to see more participants as we all need practice, and the hall is air conditioned.

We will be starting a new class in September, hopefully we will see lots of new faces. Tell your friends and acquaintances what a great activity Square Daning is.

In the meantime, stay safe and healthy and hope to see you in a square soon.

Kathi

Food for thought: Life is like riding a bicycle. You don't fall off unless you stop pedaling.

No changes to our membership this month.

I will start collecting dues for 2024 membership in September.

If you did not receive the July updated member list with the class graduates added, let me know and I'll get one to you.

Sherry has been on her annual trip to Colorado to spend time with her family. Her knee is doing just fine.

She hasn't received any word of illness or members needed cheering up, so I told her to have a good time and enjoy her birthday.

Remember, if you know of anyone that needs a get-well wish, encouragement or congratulations, let her know.

She asked me to wish everyone a healthy and happy August.
