Hope you got to come to class on Wednesday night Oct. 25. Sad news is Steve was in the Hospital and good news is he is home now and will be at class on Nov 1st. Brent Lively did a great job of filling in for him. Thanks to Shirley who did one set of line dancing for everyone. We had a super fun time with so many coming in costume it was hard to pick 1st place. We decided everyone should have been 1st place. Thanks to those who brought all the good treats, and everyone really enjoyed them. We had 4 and 5 squares all night. It was so wonderful because so many dancers stayed to help with cleaning up before going home.

We were sad to know we are losing two of our members who are moving. Ronda Nelson has been such a delight to watch how excited she was about the dresses and square dancing. David was our candy man always bringing some kind of fudge to everyone's delight. They will really be missed.

Shirley Parker is home from the hospital after falling and doing good. Margie Hart is also home after her fall and doing great. She is already getting back to her quilting. Just can't keep these good women down.

Want to remind all the class. Carol Higgins has agreed to take class pictures on November 1st, so please try and come a little early to get this done before class starts. This is a lot of work for her so please do your part and be here.

I will have a sign-up sheet at Cowtown on class night to get an idea of what date you want for a Christmas party if you want one and if so do you want a potluck or ???.

I had news from Linda & Jim Selby of Redlands B & Bs. They will be folding, and their last dance will be in December. SO SAD.

We had 2 great baskets for the Pink Ribbon dance. I was told they raised \$7,000 and had 22 baskets. Thanks to all of you who donated

Hope everyone is looking forward to a wonderful Thanksgiving.

Hi everyone,

Our class is doing very well. We now have 11 students. They are enjoying themselves and are learning quite a few calls. We are dancing with 4 and 5 squares, which is because of our Angels. Thank you so much for helping them and making them feel comfortable and welcome. If you have not been able to attend our classes, please come out and support our students and get acquainted with them.

Remember, they are our future Club members. So, let's make them feel welcome.

Thank you Brent for stepping in when Steve was unable to call our class. Unfortunately, I was unable to attend that class, but I understand we had some individuals who were spreading their Halloween spirit a little early.

Stay safe and healthy and hope to see you at our next class night dance. Have a very Blessed and and Wonderful Thanksgiving.
