I am really running behind and I know Linda likes to get this out. I promised her I would get this done today.

If you did not make it to Sunday's afternoon dance, you really missed a great time. To you who came thank you so much for all your help. It is so much fun to have a club that has so many members who are always ready to lend a helping hand. To all of you who brought treats, it really helps and makes it a great dance.

So many students were at the dance and their clubs came to back them and make them feel at home. At least half of the turnout was from other clubs. Grape Stompers 10, Twirlers 7 & Cowtown had 25. The other clubs attending were SunKissed Squares, Thunderbirds and 3 no club. We had 6 squares and a few extra dancers. February Sunday dance will most likely have a clothing sale if it doesn't rain.

We have decided to celebrate Birthdays for the whole month on the second Wednesday of each month at class. We hope that nobody will get overlooked that way. So, if you want to bring a cake on that night it will be fine. Linda Wicker always lists the member's birthdays in the newsletter every month so you can look for it. There are some members without their birthdays (month, day) listed on the Membership List that Gene sent out last week. If you want to include yours, let Linda know.

Now you can get ready for Valentines Day.

Dan and Betty are a little under the weather so we're hoping they both get feeling better soon. Other than Dan and Betty, I haven't heard about anyone that has needed a card. I'm hoping everyone is healthy and doing well. Remember, if you know of someone that needs encouragement, congratulation or just to know they are being thought of, be sure to let me know.

**Kathi Wood**

Hi everyone,

Hope you all have enjoyed the January weather of both rain and sunny days. Our class started off a little slow, with few in attendance, but after the first week we are back to our 4 squares. Students are doing so well. There are confusing times like when one student said to me "my head is a scrambled egg mess," but everyone seems to be more relaxed and enjoying themselves. Angels, again thank you for all your support and again, please remember that we need to be sure our students are always dancing before we square up!!! We tried something new last week to ensure the students were in squares first and it worked pretty well. We will see what happens next week.

Our first Sunday class dance was a great dance with Mike Haworth calling and Sheri Woodard doing the line dancing between squares. We started with 7 squares and ended the afternoon with 6. Mike kept us moving and the students enjoyed dancing to someone other than the caller they were accustomed to hearing. We had visiting club members and their students from Sunkissed Squares, Twirlers, Grape Stompers, and the Thunderbirds. Thank you for bringing your students. We hope they enjoyed their day. We certainly enjoyed meeting them and having them dance with us.

See you on Wednesday.
