Our Sunday dance was 3 squares and we do need more dancers to continue. We may have to cut the line dancing to keep from losing so much money. Let me tell you that the lady members ruled this time. If you were there you know what I mean. This is what having a good club is all about. Not only did they work very hard to get all the clothes out of our storage container. They also had to move all the Christmas trees to the back to get them out. Shirley and Gary started and as more girl power came, they started putting up tables, bringing in clothes and putting them on the tables. And they had fun shopping as they did it. I was so proud of everyone who helped. Not only did they really work but they brought refreshments. They turned what could have been a losing dance into a very profitable one. We took in \$357.00 on the clothes we sold. That was with only around 30 dancers there. This is how clubs stay together when we all work together and have fun doing it. Thank you so much to all of you who came and made it a great dance. When the dance was over everyone just started working together. The cleanup was done in less than 5 minutes, and we all went home. I do want to add that the class and Angels all got so many beautiful clothes and had fun doing it. It was awesome.

Our class has been keeping 4 squares. Thanks to all the great Angels. I want to stress how important it is to come to class. One person short and it makes 7 people sit down. Not only is it so good for you to get the exercise it is also so good for you to socialize. We have made the price \$5.00 so everyone can come. That is why we need 4 squares to continue. The club has to pay rent, caller, and line dancing. It is not just for you; your presence brings joy to everyone.

We have so many members who have various illnesses, having surgery or dealing with one thing or another, it is hard to keep track. Just try and keep well, but let Sherry know of anyone that needs encouragement or gets well wishes.

Remember our dance on Friday, March 1. Tim Merino from Oroville is going to be our caller. His past dances have been a lot of fun. He's a smooth caller with a good voice that has become a popular out of the area caller.

Easter is just around the corner. If you have any ideas of something we can do, let me know. Until then just keep dancing.

Hi everyone,

Hope you all had a Happy Valentine's Day, spending it with your special person or loved ones or better yet just pampering yourself!! Our class nights are still dancing with at least 3 squares, most of the time dancing with 4 squares. Our students are doing well and still seem to enjoy themselves. Angels, again thank you for all your support. The students and I appreciate you taking time out of your busy schedules to help.

Our February Sunday class dance was a great dance with Gumby calling and Sheri Woodard doing the line dancing between squares. We started with 3 squares and ended the afternoon with 4. Gumby kept us moving and the students enjoyed dancing to someone other than the caller they were accustomed to hearing as well as his crazy hats. Our last tip ended with squares having 3 head couples and 1 side couple. The students enjoyed the different configuration of the square as well as everyone else. I did have the pleasure of being Steve Woodard's partner that tip, so thank you Steve. Some of the dancers in the square said "Steve, we have never seen you dance before," a treat for them as well.

Our Experienced Clothing Sale did quite well also. It is a great way for new dancers as well as others to either start their new wardrobe or add to their existing one.

Hope to see you on Wednesday,

Kathi

Sunshine is having a hectic time right now. Sherry herself is dealing with a bad knee and back but has finally scheduled an appointment with a surgeon. Wish her well. We just heard that Margie is able to drive again so congratulate her. Lynda Bowie is still recovering from her mysterious cough and not being up to par
