By the time you get this newsletter Easter may be over. I hope it was a wonderful time to spend doing whatever you decide to do. I wonder if family's still color eggs. When I was about 5 I can remember getting up one night and finding my family coloring eggs. All the time I thought the Easter bunny brought them. We didn't have Easter Baskets. You just made a nest out of a hat for the Easter bunny to leave your eggs in. Times sure change huh?

The class is going great. Most of the time we have 4 squares. Last week over 10 people decided to do other things and we only had 3 squares and that was with everyone dancing every tip. My great granddaughter was at class the week of the 13th. They were visiting from Phoenix, and I told her she could try line dancing. Well, we had 4 squares and after the third tip members were going home so 7 dancers would have to sit down. She is 11 years old, and the square asked her if she wanted to dance, and she was delighted. She has been in Cheerleading for 4 years, so she fit right in, with a little help from our Angels. She danced the rest of the night, so no one had to sit down. She wanted to come back and dance the next night. These young ones learn so fast.

Please remember to put Sunday dances on your calendar. We only had 3 squares at our February dance. We can't keep having them if there is no interest in them.

Thank you to all of you who do so much to help. We do not pay for a janitor so please remember to pick up after yourself. Help with the trash and lights in bathroom, putting away food after dance and also bringing treats to share with other members. If everyone does this once in a while it is great. We don't want the same members always having to bring them. If you like having treats, please feel free to bring them once in a while.

Thank you for being a member of Cowtown Singles. This is your club, and you make us PROUD.

Lots of Hugs,

Dan and Betty

Betty's 11-year-old visiting granddaughter saved the night when she danced for her first time at Cowtown Singles class to keep 7 people from sitting down. She had a lot of help but did pretty well. She's Kerri Olobri's partner here. She had so much fun she was ready to go back the next day. She also had a lot of fun line dancing. A big thanks to Reagan for helping to keep everyone dancing and to our dancers for making her feel welcome.

Happy Easter to all. First I want to apologize to all of you who I never sent cards to but did remember in prayer and wished healing and love and recovery. Those who have experienced illness or not up to par are: Bruce Roberts, Marlin Lowe, Margie Hart, Elaine & Charlie Ladd, Les Smith, Dan Lawyer, Dave Sanchez, Pricilla Hampton, Linda Bowie, Rick Swanson, & me ..terrible knee pain...trying to get cleared for 4th surgery.

Don Cassell passed 3/29/24 days after falling from a ladder. He square danced most of his life and attended our sq dance class Wednesday nights. Our condolences to his wife Michele & family.

Sherry Stanke

Don't Forget

Hi everyone,

Hope you all had a Happy St Patrick's Day. Our class nights are still dancing with at least 3 squares, most of the time dancing with 4 squares. Our students are moving along quite nicely and still seem to enjoy themselves. We also celebrated March birthdays with several varieties of cake. Our class members and Angels showed up colorfully dressed last week in their greens, celebrating St. Patrick's Day. Again, my thanks to all the Angels who show up and support our students. Also, thank you to all who bring snacks and goodies for all to eat in between tips.

Remember, dancing is a good stress release, as well as good exercise and a lot of great fellowship.

Our March Sunday class dance was a great dance with Rod Shuping calling. We had 5 to 6 squares dancing all afternoon. Rod kept us moving and the students enjoyed dancing to someone other than their own caller. We had visiting club students from Twirlers, Grapestompers, Calico Quails, Sunkist Squares and Thunderbirds. It was a fun time to meet and dance with new dancers from other clubs.

Thank you again for your support and hope to see you on Wednesday,

Kathi
