Aren't the May flowers beautiful this year? All that rain we had did its magic. If your newsletter is late this month it is mostly my fault. I just could not get my article done. Thanks to everyone who has been so great about helping at Cowtown. We could not do it without all of you. So many of you are bringing treats to share and that makes our dances so much more fun. You know our square dancers like to graze.

Our last Sunday dance would have been a great success if we could have been blessed with about 10 male dancers. Come on men we need you. Our ladies did what they could doing the male part, but we had at least 8 ladies sitting out most tips. Some of them ended up going home. We only have 1 more Sunday May dance, so let's make it a good one. If we can I hope, we can have one more clothing sale to get our classes what they need.

I would like to make a suggestion. If you cannot make it to our dances or class, it would be wonderful if you would look at your membership list and keep in touch by calling one of the members you have not talked to in a while. You will never know how much that call could mean to someone. On the other hand, it will make you feel like part of a wonderful club.

I am going to make this short so I can get it to Linda for the newsletter. I am hoping the others covered what I didn't.

Have a wonderful May and Happy Mother's Day to all of you.

Catching up, it was good to talk to Bruce Roberts who suffered a heart attack recently. He is back to doing outside jobs and is feeling ever so much better with the stents. Margie Hart had another fall and broke a major bone in her body. Rest and PT are healing it. She's going home May 1st. We wish her a speedy recovery as well as Shawn Tudor who broke her arm. Linda Bowie has had various health problems that dragged on, but she's recovered and came to Sunday's dance. Maurine Adams and Joanne Krueger are wished fast recoveries from their illnesses. Hope to see all of you at Cowtown soon. Betty had skin cancer removed from her leg and Dan had some eye problems. Janet and Phil Vinokur are wished health and healing, and I am finally approved for knee surgery!

Keep on dancing!!

Sherry

A colorful Margie Hart. Looking good. She's going home May 1st. Good to hear.

Hi everyone,

Hope you all had a Blessed Easter and spent time with family or friends, and that someone found that golden egg. Our class nights are still dancing with at least 3 squares, most of the time dancing with 4 squares. Our students are headed to the home stretch with graduation lurking around the corner sometime in June and still learning. One week we celebrated April birthdays with several varieties of cake and goodies. Another week we had a visit from the Triplets. They even wore the same shoes. Again, my thanks to all the Angels who show up and support our students. Special thanks to those women who dance as men, as we have more female students who need a partner. Also, thank you to all who bring snacks and goodies for all to eat in between tips. Remember, dancing is good exercise and a lot of great fellowship.

Our April Sunday class dance was a good dance with Steve Woodard calling and Sheri doing line dancing between tips. Unfortunately, we had only 3 squares dancing all afternoon. It was difficult at times to get the 3rd square due to a lot of single female dancers and not enough experienced dancers or women dancing the male's part.

Thank you again for your support and hope to see you on Wednesday.
